Dear Sir

Greetings from Aspiring Minds!

At the outset, I would like to thank you on behalf of Aspiring Minds for your valuable time. It was pleasure speaking to you. We sincerely hope you found the quality of our assessments and diagnostic reports worthy and one of its kinds. AMCAT has proven to be an outstanding assessment tool for campuses & companies and our past records also reflect the way campuses & companies have appreciated and recognized our assessment.

As discussed, we propose the use of AMCAT employability assessments at I.T.S. Engineering College, Greater Noida evaluate student's employability skills and job readiness.

AMCAT, is the world's largest and most preferred employability test, trusted by over three million candidates, 5000 colleges and 3000 corporates globally. We sincerely feel that the feedback from AMCAT will be extremely beneficial for students to gauge their employability, find strengths/ weaknesses and improve themselves. The college will also be provided with analytics and insights on student's skills based on AMCAT, which will help design intervention in both short term and long term.

A brief note on Aspiring Minds

Aspiring Minds is a global job skills credentialing leader set up with a vision to create a merit driven talent ecosystem and enable efficient job skills matching by crafting credible and intelligent assessments. The flagship product AMCAT, is the world's most widely-taken employability test and trusted by over three million candidates and 5000 colleges and universities globally. Aspiring Minds enables job seekers to evaluate their job skills, earn industry recognized credentials and find appropriate career opportunities. We also help companies dramatically improve their quality and efficiency of hiring and are today associated with more than 3000 corporations. Aspiring Minds is a 500+ people strong organization with operations in US, China, India, Middle East, Philippines and Africa.

Aspiring Minds' National Employability Report is the only systematic analysis of job readiness of technical and non-technical graduates based on their language competence, aptitude, functional skills and personality. The report widely covered by media houses such as The Economist, The Wall Street Journal, The Economic Times, The Times on India, Business Standard and Hindustan Times has emerged as a standard annual audit of higher education in India.
