Topic: - **our Executive Director on forthcoming placement opportunities -2021**

This open house was scheduled to focus on the upcoming placement opportunities for 2021 batch and to inform students about the strategies to crack the good offer in the present scenario of the world and future aspects of the career building.

During this interaction ED sir explained that CRC will be organizing a series of webinars to keep them updated on upcoming placement 2021. CRC will be scheduling many such live webinar series with Top HR Leaders who will be interacting and share their valuable experience. As students also accepted that this is the best time to invest in learning and preparing with the guidance of Top HR leaders from corporate HR while they are self-quarantined. Around 100+ students participated and all were highly motivated during this webinar sessions.

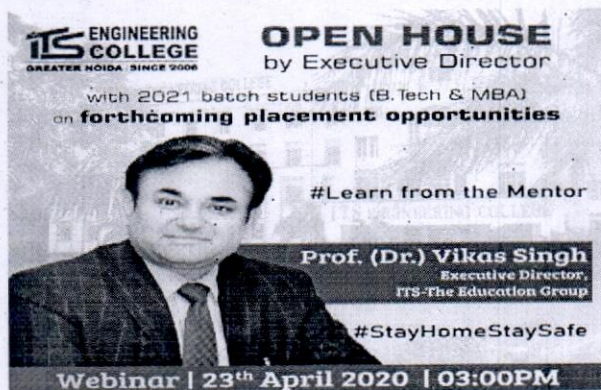

Corporate Resource Center would like to extend our profound gratitude to our complete support team and students who graced this occasion. We will look forward organize some more event as planned by CRC. Glimpses of this session are enclosed below.

We had **285** students who participated and actively participated in this session. Schedule SMP enclosed below was explained with the content and module planned during this sessions.

On-behalf of Corporate Resource Center, **ITS engineering college** would like to extend our profound gratitude to our complete support team and students who graced this occasion. We will look forward organize some more event as planned by CRC.

Vice Chairman of ITS Engineering College, Mr. Sohil Chaddha has extended their best wishes on this occasion.

We will look forward organize some more event as planned by CRC.

Vikas Singh
