

Event Summary

30th June, 2021

Corporate Resource Center had organized Individual Career Plan session to all B-Tech & MBA 2022 batch students.

Individual Career planning encourages individuals to explore and gather information, which enables them to synthesize, gain competencies, make decisions, set goals and take action. We

try to identify and utilize hidden skills and attributes of our students and ensure the right candidate with the right skills in right direction at the right time.

CRC interaction schedule -2 today's program was executive:-

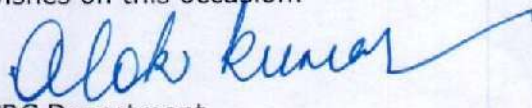

Batch Name	Timing
Batch 1	4.30pm - 4.45pm
Batch 2	4.50pm- 5.05 pm

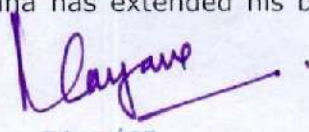

Key points discussed :-

- > Companies On Boarded for 2022 Batch - August and September 2021
- > Current strategy by Skill Bout team
- > Providing strong assessment platform (AMCAT & Cocubes)
- > What is expected out of you?

We have a very good interactive session with close to 100+ participated in each session. CRC Head- Shalini Khatri welcomed the students on behalf of Corporate Resource Center, ITS engineering college and students. Students actively participate and while concluding provide their positive for such informative knowledge sharing session

Dr B.C Sharma, Director -ITS Education Group, Mr. Sohil Chaddha has extended his best wishes on this occasion.

Current strategy planned

Guidelines for Skill Bout Technical session everyday from 9.30pm to 10.30 pm.

- Students should login on time (5 mins prior) as its pool session with NIET college and other students. Hence you should login on time to avoid full house situation.
- If you fail to rename your name in the participant list, you would be sent back to waiting area and would not be allowed for the session.
- Once joined the session, all students need to rename themselves in the participants list in below for format – eg :- NAME_BATCH#_ITS
- Attendance will be monitored.

Event Summary

15th May 2021

ITS Engineering College, Greater Noida had organized an exclusive Webinar powered by IBM Skill Box for students to get an insight on basics of designing. This webinar was arranged for all BTech 2022 & 2023 on 15th May, 2021 between 11.00am to 12.00pm.

The Department of Corporate Resource Center of ITS Engineering College organized this event to get our students exposed to latest industry need in Designing field.

Topic - Basics of Designing

Key Note speaker :- Mr. Himanshu Yadav, Lead Designer-BOSCH India

Most of students were curious on the topics and was a very motivated during the sessions. **We had around 185 + Students attended this session.**

This is an effort to bring together some corporate connects to students which will help them for future placement readiness and students to get technical upgrade straight from industry.

Would also like to take this opportunity to thank CRC team for coordinating this virtual event and made it a grand success.

CRC Head- Shalini Khatri welcomed the eminent guests on behalf of Corporate Resource Center, ITS engineering college and students. Students actively participate and while concluding provide their positive for such informative knowledge sharing session

Dr B.C Sharma, Director -ITS Education Group, Mr. Sohil Chaddha has extended his best wishes on this occasion.

Corporate Resource Center would like to extend our profound gratitude to our complete support team and students who graced this occasion. We will look forward organize some more event as planned by CRC.

ITS Engineering College, Greater Noida had organized Individual Career Plan session to B-tech 2022 and Btech 2023 students.

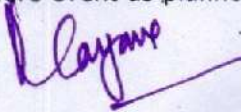

Individual Career planning encourages individuals to explore and gather information, which enables them to synthesize, gain competencies, make decisions, set goals and take action. We try to identify and utilize hidden skills and attributes of our students and ensure the right candidate with the right skills in right direction at the right time.

ICP would initiate multiple projects and encourage students to work on solving complex problems using knowledge, skills and critical thinking. Students will develop the ability to apply the latest technology to find a solution for the complex problem in ever changing business world."

This was detailed interactive session conducted by ED sir where he explained about the ICP and the outcome of the same. He also explained the AI platform which will support capturing their capstone projects and measure their skill based on their aspiration. "Students profiling and project data updating" by Krackin Skillx team will be initiated for the 2nd and 3rd year students. The platform is built using AI so helps in accomplishing the career goal (Data Scientist/Software Developer/ Testing etc.). Several modules covering all the aspects i.e. starting from fundamentals to the advanced, learning stage, analyzing the performance and then accordingly gives recommendations the user participant. This session was successful conducted in two slots as enclosed below for **2023** and **2022** batch students:-

Slot	Timing	Batch	Total Students
Slot 1	11.00 am to 12.00 noon	2023	330
Slot 2	12.30 PM to 1.30 PM	2022	402

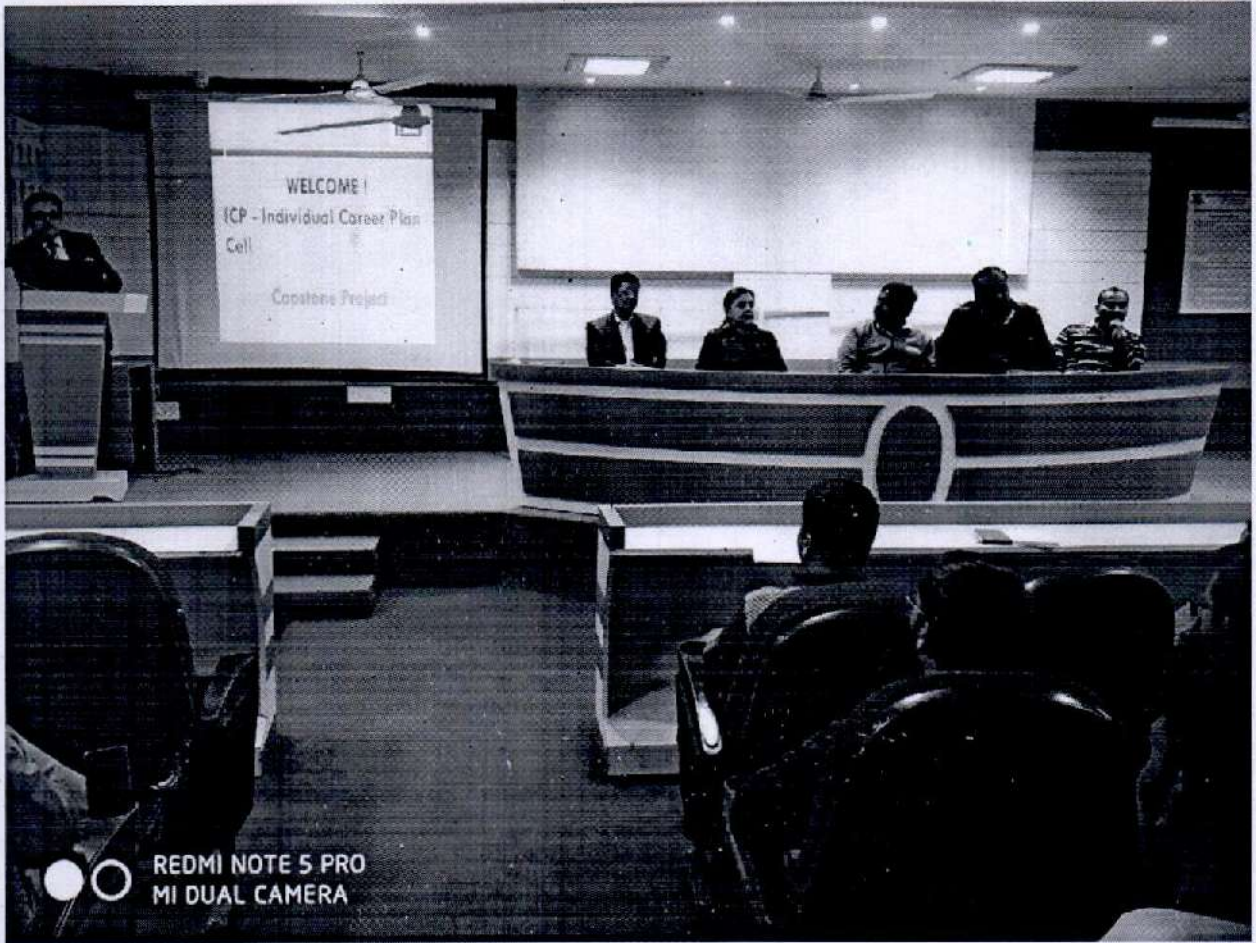

Corporate Resource Center would like to extend our profound gratitude to our complete support team and students who graced this occasion. We will look forward organize some more event as planned by CRC. Glimpses of this session are enclosed below.
