## Assessment Procedure of Training Programs

The Assessment Procedure of training program is a combination of MCQ using Google Form as well as the execution of programs.

- Evaluation shall be done based on the performance in the ten Assessment Tests with 50 marks each.
- Ten tests shall be conducted, preferably one each (Total 9) at the end of each topic and the one at the end of the course by the respective trainers.
- The duration of assessment shall be 50 minutes each.
- The pattern of question paper decided by the respective trainers.

## Passing Criteria

All students who have a 75% attendance, completed all the class assignments, and participated in all the quizzes have qualified the Data Structure and Training Programme.
