I.T.S ENGINEERING COLLEGE CELEBRATES ROO-BA-ROO 2018

The Cultural Committee of I.T.S Engineering College, Greater Noida celebrated its annual freshers party event Roo-Ba-Roo 2018 on 21st August, 2018 with much pomp and enthusiasm to welcome the freshmen of B. Tech and MBA First Year.

The colourful program started off with the ceremonious lamp lighting ritual by Prof. (Dr.) Vikas Singh, Executive Director of I.T.S – The Education Group who was flanked by Dr. Gagan Deep Arora- Dean Academics, Dr.Sanjay Yadav – Dean Students Welfare and respective Heads of all engineering department and Management Departments. The ritual was followed by the ethereal *Saraswati Vandana* by second year students.

Prof. (Dr.) Vikas Singh in his short speech highlighted the importance of such an event to reinforce the bonding between juniors and seniors. His speech was also a source of motivation to many a student who were very much energized, encouraged and enlightened.

Although the Vice Chairman of the Group - Shri Sohil Chadha could not make it to the event, he extended his best wishes to all the new comers and congratulated the participants for their performances.

The ecstatic tone of the event was set by a spectacular fashion show “Fashionista” competition modelled on the big bad Bollywood industry. It was very much apparent that the glitterati had a fierce competition among them to win the coveted title of Mr. and Ms. Fresher 2018. The first round which was a ramp walk round received the maximum number of cheers from students and teachers alike. In the talent round of Mr. & Ms. Fresher’s competition, participants had to perform on solo dance, solo singing, poetry recitations and speech to exhibit their best talents in these vivid categories. The proud winners of Mr. and Ms. Fresher 2018 were Mr. Danish & Ms. Sindhuja Singh and Mr. and Ms. Talent were Mr. Gurserjan Singh and Ms. Akanksha Mishra respectively who were declared winners of the event after a thorough and careful judgement by the College team of jury members.

Other significant performances of the day were the collaborative beat boxing performance by a first year student and his team of seniors, graceful traditional folk dance by another freshmen social and a plethora of performances ranging from solo and duet singing to contemporary and traditional dance forms. These activities had metaphorically put the auditorium stage on fire and left the audience asking for more.
