Udayan

Director
ITS Engineering College
Greater Noida

Sahaja Yoga is a unique method of meditation based on the experience of the awakening of one's inner power and the process is called Self Realization. This can occur in every human being, resulting in our inner transformation by which we become moral, united, integrated, and balanced. The actualization of transformation is taking place worldwide and has been experienced by hundreds of thousands of people in over 120 countries.

This technique is very simple and easy yet highly effective, thus called as "Sahaja". **Sahaja Yoga programs** are conducted with the sole aim of benefit to the society.
