MECH DEBATE 2015

""Mech-Impulse Society" of Mechanical Engineering Department organized a Debate as MECH DEBATE 2015 on 19th Feb, 2015. This was an open event by Mechanical Department in which 20 teams were registered. Faculty in-charge of society Mr. Arvind Tiwari along with students coordinators Shubham Doneria and Nitin Gupta made it happen in a good managed way. From the many participating teams, 4 teams qualified for the final round. The Student Explained the topics as well and cleared question at different levels to be on the top The winners of the Debate were Shivam Tyagi, Ravi Kumar and Trilochan Thakur. 1st Runners up are Saurabh Sharma, Ravi Yadav and Vinit Kumar Singh. The winners and participants were photographed with Prof. Sanjay Yadav, Head and Convener of the event receiving their Appreciation Certificate. The motive behind this event is to develop the keen interest of core technical knowledge among our Mechanical Engineering students which will help them to prepare in advance for various competitive examination and develop self confidence.

Time: 1:30 P.M. –4:30 P.M.
Venue: Naidu Hall/CAD Lab

Objective:

- To developed the CAD software knowledge in students of Mechanical Engineering.

Main Report:

The Mechimpulse Society of Mechanical Engineering Department organized an event on "CADATHON, CAD Design Competition" for the B. Tech students on 19th Feb 2020.There was also a quiz with the commencement of the event. Students used CAD software to develop the Design of various machine elements. Two hours were allocated to develop the Design. Students took part in competition enthusiastically. On the basis of quiz and CAD Design, First, Second and Third Prize were awarded. First prize was given to Anuj(2ND YEAR), Second prize was given to Aman Sharma(3RD YEAR) and the Third prize was given to Aman Jain(3RD YEAR). Certificates were distributed to each and every participant.

The program was concluded with vote of thanks from the event coordinator Mr. Amit Kumar Gupta and Mrs. Neha Gupta.

Lecture Outcome:

i) The students will get exposure about the CAD SOFTWARE
ii) Understand the importance of design software in Mechanical engineering.
