

2.6. Student performance and Learning Outcomes

2.6.1. Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

- **Program Outcomes (POs):** It represents the knowledge, skills and attitudes the students should have at the end of a course completion of their respective program.
- **Course Outcomes (COs):** At the end of each course student resultant knowledge and skills provided by the course outcomes. It defines the cognitive processes a course provides.

Program Outcomes (POs), Program Specific Outcomes (PSOs) and course outcomes are communicated to the stakeholders of the program by the following procedures.

POs and PSOs are approved by the Department Advisory Board.

POs and PSOs are available in the Institute website (www.itsengg.edu.in).

POs and PSOs are displayed in prominent locations of the campus for staff, students and public view.

POs and PSOs are displayed in Department office, Laboratories and Department library.

POs are communicated to employers and Alumni by sending mail and during the Alumni Meeting.

During the class committee meeting and faculty meeting POs and PSOs are reviewed among the students and staff members.

Course Outcomes (COs) are framed at department advisory board meeting. Department advisory board frames course committee for each course with course handlers along with one subject area expert. The course outcomes and their mapping with program outcomes and program specific outcomes are elaborately discussed and derived by the course committee members.

Even though the COs are decided by the Dr. Abdul Kalam Technical University along with the syllabus, if necessary, the COs are modified and reframed by the course committee members.

COs are communicated to the students during the introduction class itself. COs along with lesson plan are issued to the students during the first class.

During the discussion of the course, the outcomes of the course are also discussed. At the commencement of each unit and after the completion of the unit, the course outcomes are reviewed.
