

Mentor Institute Name: ITS Engineering College Greater Noida (IC201810625)

Activity No. 3

Activity Name: To organize IIC calendar activity-1/2

A. Schedule of the activity

Title of the session: Session on "How to plan for Start-up and legal & Ethical Steps" on 28th April 2022 under Mentor- Mentee Scheme

Date and Time: 28th April 2022, 10:00 AM- 1:00 PM

Duration: 180 Minutes

Session:(One/Two/Three): Two

Mode: Online/Offline: Online (Streaming also)

Quarter: Quarter2/3/4: Q3

B. Expert/Speaker Details:

No. of Experts Engaged:(1/2): 2

Details of all the Experts

Sr.No.	Name of the Expert	Organisation	Designation	Brief about Expert/Speaker
1.	Adv. Kshitija Onkar Kulkarni	LegaInnovate Consultancy, Pune	IP Lawyer	-LLB from Y C Law College (Pune University), Pune Registered Patent Agent with IPO (Registration No: IN/PA/2012). -Advanced International Certification Course on IP Panorama organized by WIPO (World Intellectual Property Organization) and KIPO (Korean Intellectual Property Organization) -Post Graduate Diploma in Patent Law, NALSAR University, Hyderabad

Kalyani

Director
ITS Engineering College
Greater Noida

2.	Mr. Anirudh Thakur	Hagri Innovations pvt Ltd, & Ecekal – Crafting future Machines	CEO & Founder	Presently working with IIT mandi on special purpose machines. Broad experience in the design , production and management of machines through research and development, expertise in managing procurement and project teams to achieve goals and objectives. Developed and implemented high value and cost effective programmers. Highly skilled in providing training and consultation to staff and clients.
----	---------------------------	--	---------------	--

C. Outcome of the activity:

Objective:

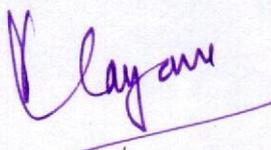

- To motivate mentee institutes to imbibe the culture of Start –up in their institutes.
- To guide them for planning the way forward plan & strategies to be adopted for Start-up.
- To discuss legal & ethical steps for startup

Description:

The Institution's Incubation Council (IIC), ITS Engineering College organized Mentor- Mentee session for IIC calendar activity Session on "How to plan for Start-up and legal & Ethical Steps" on 28th April 2022. ITS organized this session as a mentor institute. It was attended by Faculty, Staff & Students of 5 mentee institutes and ITS Engineering College itself. The list of 5 mentee institutes is as follows:

1. Noida Institute of Engineering & Technology-Pharmacy Institute, Greater Noida, IC201912293
2. Galgotias University, Greater Noida, IC201912703
3. Dr. M.C. Saxena College of Engineering & Technology, Lucknow IC202115825
4. Mangalmay Institutes of Management & Technology, IC202115904
5. Vishveshwariya Group of Institutions, IC202014330

The key resource persons for the session were Adv. Kshitija Onkar Kulkarni (IP Lawyer) Patent Agent, LegalInnovate Consultancy, who is based at Pune and Mr. Anirudh Thakur, who is the CEO & Founder

Director
ITS Engineering College
Greater Noida

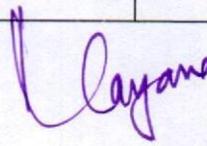

at Hagri Innovations pvt ltd, &Ecekal – Crafting future Machines. Around 210 participants had attended the highly informative session. Ms. Kshitija had a detailed discussion on how to launch start-up, MVP Product, copyright, legal and ethical issues. During the session, Mr. Thakurtalked about his start-up journey. He also discussed some general strength and weakness of any startups with the students. Moreover, Mr. Thakur shared useful tips to overcome such weaknesses and challenges. Overall session was highly informative and participants got the knowledge about how to plan and commence their new business setup.

Key Highlights:

The event helped in gaining greater awareness about how to launch a start-up. The event helped in gaining understanding about all the issues that are related to starting a new business in the country. It also helped in understanding copyright, legal and ethical issues.

C. Outcome of the activity:

Objective:

- To foster the culture of innovation ecosystem.
- To streamline and strengthen the I&E ecosystem in educational ecosystem
- To establish function ecosystem for scouting ideas and pre-incubation of ideas
- To develop better cognitive ability for technology students.
- To encourage and inspire technology students by supporting them.
- To prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA)

Description:

The Institution's Incubation Council (IIC), ITS Engineering College organized orientation program "Institution's Innovation Council (IIC) Mentor- Mentee Orientation cum mentoring session" on 6th January 2022. ITS organized this session as a mentor institute. It was attended by representatives of 5 mentee institutes and many other interested faculty members from ITS College itself. The 5 mentee institutes were:

1. Noida Institute of Engineering & Technology, Greater Noida, IC201912293
2. Galgotiyas University, Greater Noida, IC201912703
3. Dr. M.C. Saxena College of Engineering & Technology, Lucknow IC202115825
4. Mangalmay Institutes of Management & Technology, IC202115904
5. Vishveshwaraiya Group of Institutions, IC202014330

The program was conducted by Dr. Rajiv Ranjan as a coordinator of the program. The event started with the introductory session by Dr. Mayank Garg Director, ITS College as well as the President, IIC, ITS. He highlighted the importance of entrepreneurship and innovation in higher educational institutions. Next session was taken by Dr. Ashish Kumar, Vice-President, IIC-ITS. He addressed the participant and explained the participation of higher educational institutions in various IIC programs. Next session was taken by Dr. Rajiv Ranjan who was the convener of the program. He addressed the audience regarding mentor-mentee scheme. He highlighted the role of mentor institutes and the role of mentee institutes, activities which are to be performed during the calendar year. He also explained the criteria for selection of a mentor institute. The next session was taken by Mr. Mahip Singh, coordinator-NewGen, ITS as well as Member-DST & IIC, ITS. He highlighted the innovation and entrepreneurship ecosystem at ITS. He also explained the importance of entrepreneurship and innovation for students and how ITS Engineering College has been promoting students for innovation and start-ups. The

Director
ITS Engineering College
Greater Noida

last session was Q&A session which was conducted by Dr. Rajiv Ranjan and Mr. Mahip Singh. Participants' queries were answered in detail.

Many faculty members from different departments and mentee institutes attended the program. It was very prestigious opportunity for ITS Engineering College to play the role of a mentor institute and provide guidance and support to the mentee institutes. Finally, Dr. Divya Mishra, Assistant Professor and Member, IIC, ITS Engineering College, gave a Vote of Thanks speech.

Key Highlights:

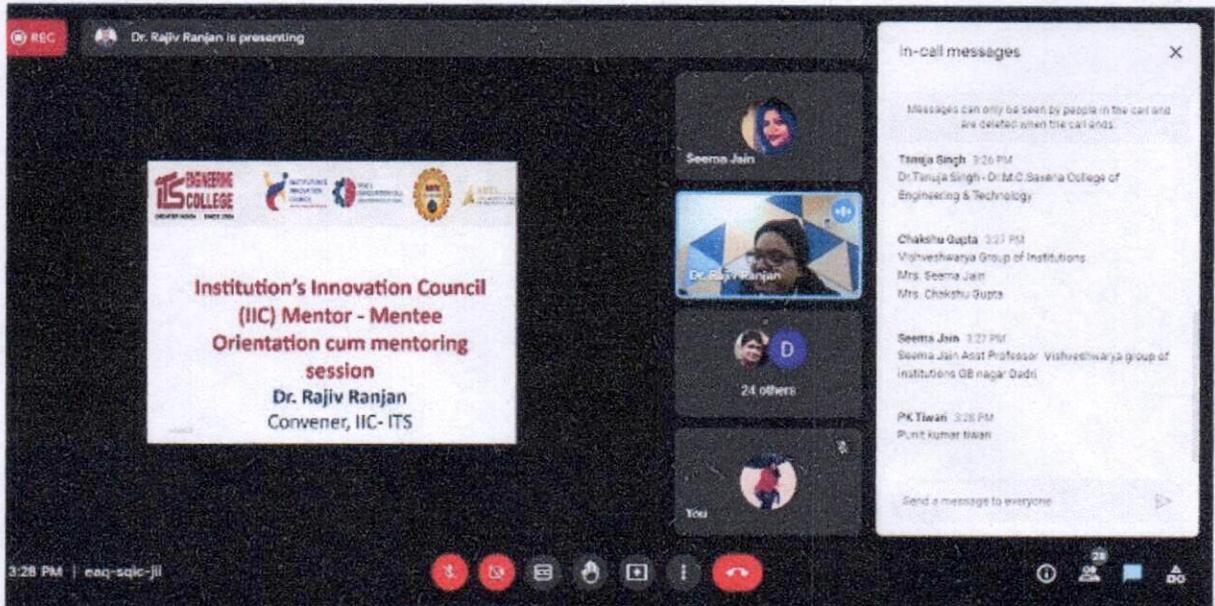

1. Participants got to know about the objective of Mentor-Mentee orientation program.
2. Participants got to know the importance of entrepreneurship & innovation.
3. Participants got to know the activities to be performed during a calendar year.
