

**UBA Event Report 2020-21**

**Name of Event:** Video and Poster Making Competition for the students of UBA Institutions

**Date of Event:** 18 - 25 June 2021

**Organized by:** Unnat Bharat Abhiyan (IIT-Delhi)

**Event Coordinator:** Dr. Sandeep Kumar

**Objective:**

- Covid-19 Awareness.
- Importance of Vaccination.
- Importance of Healthy lifestyle, yoga, Meditation and Ayurvedic practices.
- Usage and disposable of protection items against covid-19.
- Importance of Physical Distancing, Home isolation and medication.

**Report:**

UBA organized an event on Video and Poster Making Competition for the students of UBA Institutions. The purpose was to create awareness for COVID-19 related issues. The participants were asked to prepare the Poster and Videos related to the theme specified by the UBA. Many students from ITS Engineering College participated in this event and two students Piyush Sokhi and Rituraj Kumar won the 2<sup>nd</sup> position in Poster making and Video making respectively. The details of the event along with the flyer are given hereby and certificates awarded to the student are also attached.

The Details of the event are as below:

  
\_\_\_\_\_  
Director  
ITS Engineering College  
Greater Noida

**Guidelines for Video and Poster Making Competition for students of UBA Institutions**

**Themes for Poster and Video:**

- Covid-19 Awareness,
- Importance of Vaccination,
- Importance of Healthy lifestyle, yoga, Meditation and Ayurvedic practices,
- Usage and disposable of protection items against covid-19,
- Importance of Physical Distancing, Home isolation and medication

\*\* The video and posters should comply with guidelines of Govt. of India (MoH, Ayush etc.)

**Desired requirements for Video and Poster:**

*Poster making competition*

1. Can be handmade/ digital
2. Any written information shall be in Regional language
3. Size\_ A4
4. Theme: one or more themes can be incorporated (related to COVID-19 only)

*Video making competition*

1. Not more than 2 minutes duration
2. Size : 15 MB
3. Format : MP4
4. Can be Self shoot/ Animated
5. Shall be in regional language/dialect along with English subtitles

**Guidelines for Participants:**

- One entry is permitted from Single participants,
- Participants can send their entries in a Group/team (not more than 5 members),
- Participants are advised to send their entries through their Institutions,
- Poster and Video should be on the suggested themes,
- Participants need to share his/her consent for UBA rights on usage of the Entries received,
- Participants need to share his/her account details verified by Institute, (Need to upload on google drive and the sharable link is to be submitted on the registration form)
- Last date to register: 18th June 2021 (11:59pm)

**Guidelines for Participating Institute:**

- Entries with valid AISHE code submitted to UBA while registration,

Director  
ITS Engineering College  
Greater Noida

**UNNAT BHARAT ABHIYAN**

**A Flagship program of Ministry of Education  
for Inclusive Rural Development**

- Maximum 5 entries per institution is permitted,
- Valid UBA registered mail ID is required,
- Participating Institute should communicate their final 5 entries in each category to their respective RCI by 20th June 2021

**Guidelines for Regional Coordinating Institute:**

- RCIs should verify each entry from the Database,
- RCIs are suggested to design and plan their evaluation process by their own,
- RCIs are suggested to mobilize Jury members from diverse background and outside the campus.
- Regional Result announcement shall be done by RCI (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> Prize in both the categories) by 25<sup>th</sup> June 2021 in both categories
- RCIs shall communicate top 2 entries to NCI, for the next round for National Award by 24<sup>th</sup> June 2021.
- RCIs are allowed to use contingency fund to draw Rs. 26500 for award money (1st/2nd/3rd prize in Video category Rs. 10000/6000/2500 respectively and Rs.8,000 for poster category (1<sup>st</sup> -Rs. 4000/2<sup>nd</sup> -2500/3<sup>rd</sup> - 1500)

## **I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2021**

World Environment Day is a UN Environment-led global event, the sole largest celebration of our environment each year, which takes place on June 5 and is celebrated by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

World Environment Day celebrated on **Saturday, June 5th, 2021**. This year, the theme of World Environment Day is "**Reimagine. Recreate. Restore.**".

Reflecting the Indian philosophy and lifestyle of co-existence with nature, I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in a small way to celebrate World Environment Day coordinated by Dr P. C Jha. In today's challenging times of Covid -19 lockdown, a plantation drive by I. T. S students were done at their respective locations. Hundreds of I. T. S students join this drive and planted sapling in their villages, town and even at their homes in high rise societies.

Dr. B.C. Sharma Director, I.T.S Engineering College urged everyone to come together in fighting the global menace of Pollution and decreasing biodiversity in our locality, he also said that the only way to achieve this is to plant more diverse trees which will help to decrease pollution level and will restore the biodiversity of our ecosystem.

## Visit Report for Rural Innovation Idea Challenge under Unnat Bharat Abhiyan

Date of Visit: 22/09/2020

Time: 9:00AM to 5:00PM

### Members Present:

1. Mr. Sandeep Kumar (Coordinator)
2. Mr. Prabhakar Sharma (ECE)
3. Mr. Sameer(CE)
4. Mr. Sachin Sinha (MBA)
5. Mr. Amit Gupta (ME)
6. Mr Ashish Gupta (ASH)

### Objective: Rural Innovation Idea Challenge

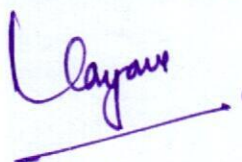

### Report:

We visited below villages and gave the awareness about the Rural innovation idea challenge.

1. shafipur
2. KondliKhader
3. Atta gujran
4. Nawada
5. Pali

Under Rural innovation idea challenge, there are three major areas jalprabhandan and sanrakshan, saururja, kutir and gram udyog. People from all above villages can submit application for any project under above areas. Last date was 15 October 2020. ITS engineering college incubation center and EDC will help in each and every activity of selected project.

**Outcome:** Many people share their idea under Rural Innovation Idea Challenge.

## Visit Report for Awareness on National Education Policy-2020

### under Unnat Bharat Abhiyan

Date of Visit: 23/09/2020

Time: 9:00AM to 5:00PM

Members Present:

1. Mr. Sandeep Kumar (Coordinator)
2. Mr. Prabhakar Sharma (ECE)
3. Mr. Sameer(CE)
4. Mr. Sachin Sinha (MBA)
5. Mr. Amit Gupta (ME)
6. Mr. Ashish Gupta (ASH)
7. Mr. Praveen Bhola (EEE)

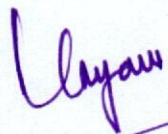

**Objective:** AWARENESS ON NATIONAL EDUCATION POLICY -2020

**Report:** We visited below villages and gave the awareness about the N.E.P.

1. Shafipur
2. Kondli Khader
3. Atta Gujran
4. Nawada
5. Pali

Under **NATIONAL EDUCATION POLICY**, There are a number of changes made in school and college education level in new education policy. Students can avail a no. of courses in 11<sup>th</sup> and 12<sup>th</sup> in different streams. Students from degree and diploma level, can left course in any year and can start at any time. They will also get certificate of that year. Coding classes will also be in the curriculum. Student can take leave from school for doing his interest of work, There are numerous other changes, we discussed with village people.

**Outcome:** Parents/Students from the above villages get the information regarding NEP. They were enthusiastic and keen to know about NEP.

## Visit Report for Survey on Tuberculosis (TB) under Unnat Bharat Abhiyan

Date of Visit: 28/10/2020

Time: 9:00AM to 5:00PM

### Members Present:

1. Mr. Sandeep Kumar (Coordinator)
2. Mr. Prabhakar Sharma (ECE)
3. Mr. Sameer(CE)
4. Mr. Sachin Sinha (MBA)
5. Mr. Amit Gupta (ME)
6. Mr Ashish Gupta (ASH)

### Objective: SURVEY ON TB PATIENT

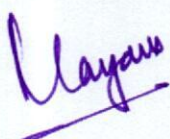

### Report:

We visited below villages and done the survey on **TB PATIENTS**

1. Atta Gujran
2. Nawada
3. Shafipur
- 4 Kondli Khadar
5. Pali

A team of six members from the institute visited to the above-mentioned villages to trace the TB patients. We educated the people what precaution they should take to deal with TB patient. The treatment for the disease is available free of cost in the government hospitals. Only one patient is traced in Shafipur village. He was guided for the treatment.

**Outcome:** A survey on TB was conducted and aware the people about the treatment.

## WORK REPORT ON BLOOD DONATION CAMP 2019

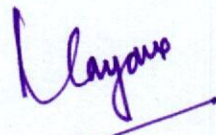

**Organizing Body:** Corporate Social Responsibility Cell (CSR Cell) of I.T.S Engineering College,  
Greater Noida and Rotaract Club, Ghaziabad North .

**In Charge:** Dr. Kuldeep Malik Department of Computer Science & Engineering.

**Date:** 22nd October 2019.

### **Salient Features:**

- Total count of blood donation units was 253.
- A fruit juice, biscuit packet, mug, donor card and a certificate of appreciation were given to the donors on behalf of Rotaract Club, Ghaziabad North.
- One/Two Bananas were provided to each donor, on behalf of the Institute.
- An uninterrupted event was well managed by the Coordinating Team.
- Team was well supported by Administrative staff.
- One faculty coordinator from each department managed flow of students and monitored the overall process to avoid any inconvenience.
- Many faculty members and Staff members also donated blood, and contributed towards this noble cause.

  
Director  
ITS Engineering College  
Greater Noida

**Scope for Improvements:**

- Industrial Tour or any such activity must not clash on such events.
- Participation may further be enhanced with creating more awareness among students, staff and faculty.
- More sensitizing of Faculty regarding such event may be incorporated.
- More sensitization of students in Hostel by making aware of benefits and realities against common myths.
- Social networking must be fully used for advertising and informing about the event much in advance.
- Bigger Organizations such as RED CROSS may be approached for motivating participants with a better gift like T Shirts etc.
- Family members of Faculty and Staff may also be invited for the noble cause.
- Number of faculty members and staff was less(28) than expected, may be motivated further department wise.

**"Awareness on Water Bodies" Campaign in Nawada and Atta Gujran Village by  
Unnat Bharat Abhiyan Team**

Date of Campaign: 10/08/2019

Time: 09:30AM to 1:00PM

Venue: Village Nawada & Atta Gujran

**Members Present:**

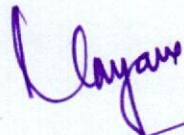

1. Mr. Sandeep Kumar (Coordinator)
2. Dr. Kuldeep Malik (CSE)
3. Mr. Prabhakar Sharma (ECE)
4. Mr. Surendra Singh (ASH)
5. Mr. Sachin Sinha (MBA)
6. Mr. Amit Gupta (ME)

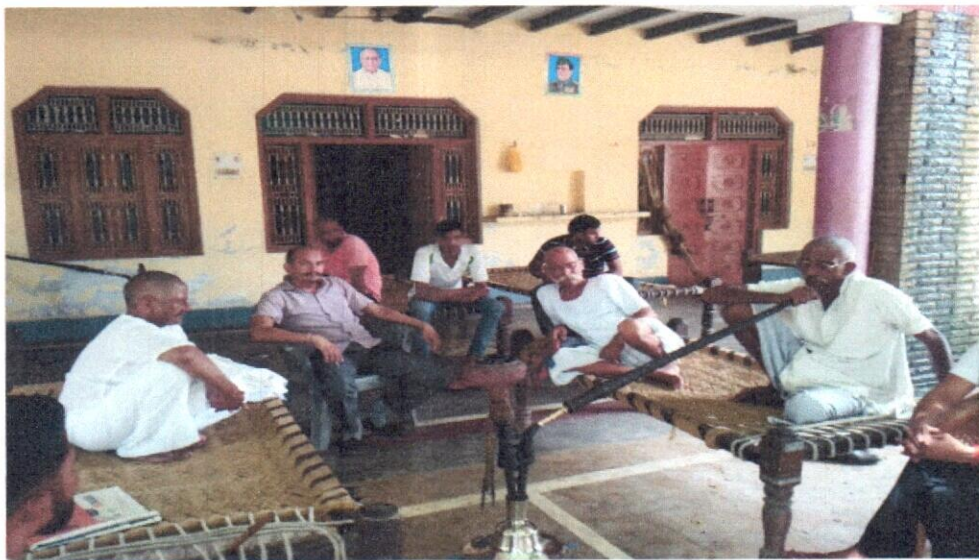

**Objective:** To motivate people towards sustainable use of water and other natural resources through optimum utilization.

**Report:**

Nawada and Atta Gujran are well populated villages and many villagers are still farmers. They use water for the farming as well for their households. Our team members visited both the villages and shared different irrigation techniques (drip and sprinkle) to increase the crop productivity while conserving water. They also shared water problems of Bundelkhand region, one of the most backward regions in India. Members also told about How to use water efficiently in agriculture and domestic use to enhance productivity. This campaign was focused to the primary school of the villages and to the residents too.

**Outcome:** All participants were committed to conserve water and to make people in their environs aware to conserve water. Some participants have planned to begin a 'drive to make people aware'.

## **Yoga Camp Report under Unnat Bharat Abhiyan**

(Yoga Camp at Atta Gujran by the Unnat Bharat Abhiyan Team)

Date of Yoga Camp: 25/09/2019

Time: 06:00AM to 7:30AM

Venue: Mata Shankri Devi Public School, Atta Gujran

### **Members Present:**

1. Mr. Sandeep Kumar (Coordinator)
2. Dr. Kuldeep Malik (CSE)
3. Mr. Surendra Singh (ASH)
4. Mr. SachinSinha (MBA)

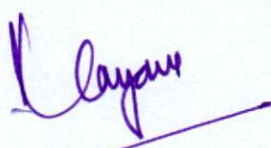

**Objective:** To make aware about benefits of yoga and the right way to do yoga.

### **Report:**

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both, body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is relaxation and rejuvenates the body and mind.

In view of this, Dr. Kuldeep Malik has successfully organized YOGA's demonstration, lecture and little bit of competitions inside the school premises on 25<sup>th</sup> September 2019. More than 50 students of the school along with teaching and non-teaching staffs have taken part and effectively performed the various hard and easy steps of Yoga under the guidance of instructor Dr. Kuldeep Malik and his two gentle and friendly trainees.

**Outcome:** All the participants got knew about different kinds of Yoga Aashana and the right procedure to do those Aashana.

## **I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2019**

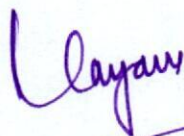

World Environment Day is a UN Environment-led global event, the sole largest celebration of our environment each year, which takes place on June 5 and is celebrated by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

This year China is the global host of 2019 World Environment Day which takes place on June 5, 2019 with **"Beat Air Pollution"** as the theme for this year's edition, the world is coming together with the hashtag #BeatAirPollution and #WorldEnvironmentDay.

Reflecting the Indian philosophy and lifestyle of co-existence with nature, I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in a small way to celebrate World Environment Day by planting saplings in its premises.

Dr. Vikas Singh, Executive Director, I.T.S Engineering College urged every student and faculty member to come together in fighting the global menace of Air Pollution and the only way to achieve this is to plant more trees which act as lungs for our ecosystem.

Dr. Singh in his statement said that this problem is an issue of tremendous magnitude that needs to be taken care of by each and every individual by taking simple steps such as by using public transport, car pooling, and reducing use of electricity as thermal power plants are the major contributors to air pollution. He also stresses that one must plant at least 5 trees in his lifetime and also to take care of planted trees.

## **I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2018**

World Environment Day is a UN Environment-led global event, the sole largest celebration of our environment each year, which takes place on June 5 and is celebrated by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

This year India is the global host of 2018 World Environment Day which takes place on June 5, 2018. With "Beat Plastic Pollution" as the theme for this year's edition, the world is coming together to combat single-use plastic pollution.

Reflecting the Indian philosophy and lifestyle of co-existence with nature, I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in its small way to celebrate World Environment Day by planting saplings in its premises.

Dr. O. P Chaudhary, HOD Applied Sciences and Humanities, I.T.S Engineering College urged every student and faculty member to come together in fighting this global menace and explore other sustainable alternatives that could play a pivotal role in reducing the production and excessive use of single use plastic that has damaged the nature.

Dr. Chaudhary in his statement said that this problem is an issue of tremendous magnitude that needs to be taken care of by each and every individual. Everyone must take ownership of their environment and actively engage in the protection of our earth.

## **I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2017**

World Environment Day – which is observed on 5 June every year across the globe – is the largest annual event for positive environmental action. World Environment Day was inaugurated in 1972 following the United Nations Conference on the Human Environment in Stockholm, Sweden on 5-16 June – the first international conference on environmental issues since its first celebration on 5 June 1974, millions of people across the world have taken part in thousands of events to raise awareness and generate political momentum around growing concerns such as the depletion of the ozone layer, toxic chemicals, desertification and global warming.

The host country for this year's celebration is Canada. Canada has chosen the theme "Connecting People to Nature" for 2017, which invites people to enjoy the outdoors and to take forward the call to protect the Earth that we share.

I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in its small way to celebrate World Environment Day by planting saplings in its premises.

Dr. Gagandeep Arora, Dean Academics, I.T.S Engineering College said: this day reminds us of what a treasure nature is, and encourages us all to protect and appreciate our environment.

Greater Noida

**Department wise Summary of Donors:**

| S.No.        | Department    | No. of Donors |
|--------------|---------------|---------------|
| 1            | ASH           | 83            |
| 4            | CSE           | 39            |
| 5            | ME            | 56            |
| 6            | EEE           | 11            |
| 7            | ECE           | 15            |
| 8            | Civil         | 19            |
| 9            | MBA           | 4             |
| 10           | Dental        | 3             |
| 11           | Faculty/Staff | 10            |
| 12           | Alumini       | 1             |
| 13           | Others        | 2             |
| <b>Total</b> |               | <b>243</b>    |

  
Director  
ITS Engineering College  
Greater Noida

**Salient Features:**

- Total count of blood donation units was **243**.
- A fruit juice, two fruits (banana and apple), a biscuit packet, a mug, a donor card and a certificate of appreciation were given to the donors on behalf of Rotary Club, Sahibabad.
- One/Two Bananas were provided to each volunteer, on behalf of the Institute.
- An uninterrupted event was well managed by the Coordinating Team.
- Team was well supported by Administrative staff.
- One faculty coordinator from each department managed flow of students and monitored the overall process to avoid any inconvenience.
- The news of the event was published in the following newspapers:
  - Deshbandhu
  - Nav Bharat Times

**Scope for Improvements:**

| S.No | Issues/Observations   | Person/Suggestion                         | Timeline          |
|------|---|---|-------------------|
| 1    | Team sent by ROTARY was observed to be poor in experience, were not able to find veins properly and caused swelling to many DONORS  | Faculty Incharge with Competent Authority | Before next Event |
| 2    | Only 10 stretchers were made available by ROTARY, 10 beds and mattress were brought from tent house, although concern for not bringing same was already shared with their centre head | Faculty Incharge with Competent Authority | Before next Event |
| 3    | The team from ROTARY was lethargic, they were seen dependent on student volunteers for test of hemoglobin etc, and were seen less participative as compared to DONORS                 | Faculty Incharge with Competent Authority | Before next Event |

Greater Noida

|   |  |  |                   |
|---|--|--|-------------------|
| 4 | Bigger Organizations such as RED CROSS may be approached for motivating participants with a better gift like T Shirts etc.                               | Senior Management  | Before next Event |
| 5 | Faculty members and Staff showed a little interest, so units (10) were less than expected (25 last year)   | Self Motivation Required   | Before next Event |
| 6 | Hemoglobin of about 60% of reported candidates was low than permissible limit, under weight and under age(1st year students), so rejection rate was high | More awareness regarding healthy eating habits and lifestyle is required, as this will lead to better Hemoglobin | N.A.              |
| 7 | Many candidates, ready to donate were found suffering with Dengue, Chikungunya and other viral fever in last 3 months, so could not contribute.          | Event may be organized at a different time, other than October   | Next six months   |
| 8 | Participation may further be enhanced with creating more awareness for noble cause among students, staff and faculty                                     | Departmental CSR coordinator   | Before next Event |
| 9 | More sensitization of students in Hostel by making aware of benefits and realities against common myths  | Departmental CSR coordinator   | Before next Event |

## **I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2016**

World Environment Day is a UN Environment-led global event, the sole largest celebration of our environment each year, which takes place on June 5 and is celebrated by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

World Environment Day (WED) will take place on 5 June 2016, its theme being Illegal Wildlife Trade (IWT). It will be celebrated around the world, with Angola being this year's host country. I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in its small way to celebrate World Environment Day by planting saplings in its premises.

Dr. Sanjay Yadav, Dean Students Welfare, I.T.S Engineering College urged every student and faculty member to come together in fighting this global menace of Illegal Wildlife Trade (IWT) and to not procure the illegal wildlife goods.
