

I.T.S ENGINEERING COLLEGE **GREATER NOIDA**

(A NAAC Accredited Engineering College)

Dear All.

It is to Inform you that "Mech Impulse Society (Mechanical Engineering Department) of ITS Engineering College" is going to organize an Online Quiz competition "Quiz-It" based on general technical observation on 27/10/2020. Participation Certification will be given to the winners (1st/2nd/3rd) and also attendance will be provided to all the participants only. The link will be provided through mail and whatsapp before 10 minutes prior to the commencement of the Quiz.

QUIZ DATE :- 27/10/2020 (Tuesday)

TOPIC :- GENERAL/ MECHANICAL ENGINEERING

TIME :- 4:00PM-4:30PM

SOP for Quiz:

- 1. It will have two sections
- 2. Ist section for taking student details(Roll No., Name, Email Id of college strictly)
- 3. IInd section having quiz
- 4. Show progress bar(Students can view progress during Quiz)
- 5. Restrict to users of ITS Engg College Only
- 6. Limit to 1 response

Kind Regards, Ms. Neha Gupta Assistant Professor Mechanical Engineering Department

QUIZ-IT 2020

"Mech-Impulse Society" of Mechanical Engineering Department organized a ONLINE technical quiz as 'QUIZ-IT 2020' on 27/10/2020. This was an open event by Mechanical Department in which 50 students were registered. Faculty in-charge of society Ms.Neha Gupta and Mr. Amit Gupta made it happen in a good managed way. From the many participants, 6 winner qualified. The student tackled the questions well and cleared different levels to be on the top The winners of the Quiz were Faizan alam, Aman kumar. Yashvant Yadav and Gaurav kumar. The winner the quiz event were Convener of the event receiving their Appreciation Certificate. The motive behind this event is to develop the keen interest of core technical knowledge among our Mechanical Engineering students which will help them to prepare in advance for various competitive examination including GATE etc.

Report on CADATHON (CAD DESIGN COMPETETION)

Name of the Event: "CADATHON, CAD Design Competition" Event Coordinator(s): Mr. Amit Kumar Gupta, Mrs. Neha gupta Date of Event:

19/02/2020

Time: 1:30 P.M. -4:30 P.M. Venue: Naidu Hall/CAD Lab

Objective:

• To developed the CAD software knowledge in students of Mechanical Engineering.

Main Report:

The Mechimpulse Society of Mechanical Engineering Department organized an event on "CADATHON, CAD Design Competition" for the B. Tech students on 19th Feb 2020. There was also a quiz with the commencement of the event. Students used CAD software to develop the Design of various machine elements. Two hours were allocated to develop the Design. Students took part in competition enthusiastically. On the basis of quiz and CAD Design, First, Second and Third Prize were awarded. First prize was given to Anuj(2ND YEAR), Second prize was given to Aman Sharma(3RD YEAR) and the Third prize was given to Aman Jain(3RD YEAR). Certificates were distributed to each and every participant.

The program was concluded with vote of thanks from the event coordinator Mr. Amit Kumar Gupta and Mrs. Neha Gupta.

Lecture Outcome:

- The students will get exposure about the CAD SOFTWARE
- ii) Understand the importance of design software in Mechanical engineering.

Participation details:

Students: B. Tech Students (approx. 40) Faculty: N/A

Presenting The WINNERS of

TECH INTELLECT QUIZ

Organised On The Occasion Of

NATIONAL ENGINEER'S DAY

15 September, 2020

Ist Winner Auresh Garo Esa

2nd Winner SATYAM JAISMAL

Congratulations To All

Name of Event - "National Engineer's Day"

Date of Event - 15th Sep, 2020

Organised by - Envision- The student activity Club

Event Coordinators - Dr. Garima Chandel and Ms. Manju Singh

Objective:

National Engineer's day celebration on the 159* birth anniversary of Bharat Ratna Mr.Mokshagundam Vishvesvaraya. Its main objective is to aware the people about the contribution of Mr.M.V. and dedicated to the field of Engineering and engineers of India.

Report:

Department of Electronics and Communication Engineering of I.T.S Engineering College, Greater Noida celebrated the National Engineer's Day on 15th Sep, 2020 on the birth anniversary of great engineer Mr. Mokshagundam Vishvesvaraya. The primary objective behind organising such an event was to enhance the knowledge and facts regarding the technology and to aware about the importance of Engineering in daily life.

On National Engineer's Day, the "Envision-The Student Activity Club" of Department of Electronics and Engineering, ITSEC organised the event named "TECH INTELLECT" the online quiz competition in which more than 100 students has been participated from different colleges such as University College Thiruvananthapuram, GL Bajaj, IIMT College of Engg, Prafulla Chandra college etc. We wish for them success in future endeavors.

Following are the winners:

1. Hitesh Garg, CSE, ITSEC

2. Satyam Jaiswal, ECE, ITSEC

15th, September has been marked as the national engineer's day. On this auspicious occasion department of electronics and communication engineering gave the slogan "We connect the world".

Program Outcome:

Like any other important day, The National Engineer's Day too has been a very significant occasion.

ITS Engineering College, being a technical institution, celebrated this event for instigating various logical thought processes besides working as a team.

ITS Engineering College Greater Noida 2/

RULEBOOK

- 1. Registered participant can only attempt the quiz.
- 2. Priority is given to marks obtained by candidate.
- 3 If two or more gets the same then time finalize the judgment.
- 4. It is required to submit the quiz before the deadline, starting time will be considered same for all.
- Any team found using unfair means shall be immediately disqualified.
- 6. A dynamic quiz will be conducted.
- 7. Quiz link will be shared at sharp 1:15PM on the whatsapp group. (All the registered participant must join the whatsapp group through link provided in registration form).
- 8. Any technical or internet issue will not be considered.

Disclaimer

- 1. In case of ambiguity, the decision of the judges would be considered final.
- 2. If anyone does wrong entries during registration or quiz form, such as wrong email id and wapp no.; then organisers will not be responsible for the certificate.
- 3. If any one found misleading the organizer or using unfair means to win, organizer reserves the right to disqualify the team at any stage of the event.

ITS Engineering College Greater Noida

Name of event - World Radio Day

Date of event - 13th Feb. 2020

Organised by - Envision- The Student Activity Club

Event Coordinator: Ms. Garima Chandel and Ms. Manju Singh

Objective -

The main objective of this event was to spread awareness among the public to raise the importance of radio.

Report -

Department of Electronics and Communication Engineering of I.T.S. Engineering College, Greater Noida celebrated the World Radio Day on 13th Feb,2020 and this year the theme on which the world radio day was based is "Radio and Diversity" and it's focus turns to diversity and plurinlingualism to raise awareness about the importance of radio and strengthens networking among broadcasters and listeners.

On this occasion Envision-the student activity club of ECE Department organised"TECHNICALRANGOLI COMPETITION"based on theme of world radio day in which more than twenty students participated. The event was judged by following faculties:

- 1. Mr.AdityaDayalTyagi, Assistant Professor CSE
- 2. Ms. Apurva Thakur, Assistant Professor ECE

HOD-ECE and present faculties awarded the winners. Following are the winners:

- 1. Anjali Upadhyay and Rachnakamat
- 2. PragatRai and Pragatikumari
- 3. Unnati Gupta and kshamashakti

Radio was a powerful medium for celebrating Humanity in all its diversity and constitutes a platform for Democratic discourse. Participants and students who joined this event enjoyed a lot so that the event was finished successfully.

NAME OF THE EVENT: EXPERT TALK ON "Developments and Present Scenario of Television Industry".

DATE OF EVENT: Thursday, November 21, 2019

ORGANISED BY: Department of Electronics and Communication Engineering, I.T.S Engineering College, Greater Noida.

OBJECTIVE: To provide an insight about the present scenario and developments in the field of Television Industry and its socio-economic impact on the Society.

REPORT: On November 21, 2019, the Department of Electronics and Communication Engineering, I.T.S Engineering College, Greater Noida organized an expert talk on "Developments and Present Scenario of Television Industry" The guest was felicitated by Dr. Monika Jain, HOD-ECE. The talk was delivered by Mr. Anurodh Srivastava, Assistant General Manager- Manufacturing Operations & Services at IDEMIA, NOIDA (formerly known as Syscom Corporation). During his talk Mr. Srivastava shared his views on the developments of television industry from the inception of Black & White Television to Color Television Industry to LED and LCD TV. He said that the television industry has changed from time-slot vision to perception vision.

All the students of ECE enthusiastically attended the talk. The program was coordinated by Dr. Ashish Gupta (Professor), Mr. Agha Asim Husain (Assistant Professor) & Mr. Navneet Kumar (Assistant Professor).

OUTCOME: Students Learned about the future scope in the field of Television Industry. They also learnt about the various job opportunities in this field and the current scenario in the communication industry.

NOTICE

It has been decided to form an academic council for the students of ECE department. Following students are nominated as the members of the student council for the academic session 2018-2019.

Second Year:

- 1. Ms. Arshi Zeba
- 2. Mr. Faizan Siddiqui
- 3. Mr. Apurva Gupta

Third Year

- 1. Ms. Shruti Singh
- 2. Mr. Bhanu Pratap Singh
- 3. Mr. Anubhav

Mrs. Garima Chandel, Assistant Professor, ECE Department will be the faculty co-ordinator for

amhared to Dr. A.P.J. Abdul Kalam Technical University, U.P., Lucknow

"EC-UTSAV 2K18"

This is to inform all the students that Envision Club is going to organize EC UTSAV 2K18 on Saturday 17th November, 2018 at 1:30 PM in Naidu Hall.

All students of 2^{nd} , 3^{rd} & 4^{th} year of all branches & MBA can participate.

There are total 4 Events; Math Mania v1.0, PUBG, Troubleshoot & Quiz Time.

Events are-

Events	Detail	Members Per Team	Registration Fee	Co-ordinators
Math Mania v1.0	Basic questions of mathematics, reasoning.	Individual Participation	INR 30/- per participant	Mithlesh Kumar (ECE 2™ Year) M: 8700468751
PUBG	Mobile Game	Team of 4 persons	INR 120/- per team	Bhanu P. Singh (ECE 3 rd Yea M: 78272744
Troubleshoot	Debugging of basic programmes of	Individual Participation	INR 30/- per participant	Umesh Gau (ECE 3 rd Year M: 8384827411
Quiz Time	General Knowledge	Team of 2 persons	INR 60/- per team	Abhishek Jaiswal (ECE 2 st Year) M: 9999176292

For Registration:- www.envisionclub.tk or Paytm to 8750720925 before 16th Nov 2018. For further assistance contact following coordinators:

A Report on EC-UTSAV 18

17th November 2018

17.5 Engineering College, Greater Noida organised an event EC-UTSAV 18 by Envision- A Student Activity Club on 17/11/2018.

The event was graced by Chief Guest Mr. Vinay Prakash Pandey (CEO, Glorious Insights Pvt. Ltd.). Executive Director: I.T.S Education Group- Dr. Vikas Singh; Dean-AA, Dr. Gagandeep Arora; Dean-SW, Dr. Saniay Yadav; HODs of all the departments; faculty; and students.

Mr. Vinay Prakash Pandey motivated the students with his rich experience in field of Artificial intelligence. Also shared the technology aspects needed in present industry scenario.

Dr. Vikas Singh shared the importance of participation in Technical Events of Engineering Students for increasing development & information gathering of Technologies.

The Electronics & Communication Department conducted a full day EC-UTSAV 2K18 under the supervision of Ms. Garima Chandel (Asst. Prof.)

The program was inclusive of four events Math Mania v1.0, PUBG, Quiz Time and Troubleshoot.

More than 100 students from all the departments participated enthusiastically in EC-UTSAV 2K18.

The winners of the competition:

- 1) PUBG Sandeep Chaudhary, Ashish Srivastava , Aditya Pratap Singh & Prahlad Palmakar (Winner Team)
- 2) Troubleshoot- Akanksha Sharma (First Winner)
- 3) Math Mania v1.0- Aditya Saxena (First Winner), Bhanu Pratap Singh (Second Winner)
- 4) Quiz Time- Prateek Pushp & Sahil (First Winning Team) Akanksha Sharma & Abhinandan Kumar (Second Winning Team)

Dr. Monika Bhatnagar

(In-charge Envision)

Name of Event: Expert Talk (Online Mode) on "Automation in Power System Operation and

Control "

Date of Event: 07th October, 2020.

Organized by: ERGON Society, EEE Department, ITS Engineering College Greater Noida.

Event Coordinator: Mr. Rajiv Ranjan

Objective:

• To enhance the skill of students & faculty members in the field of Automation in Power System Operation and Control.

Report:

Rockwell Automation- Centre of Excellence, Department of Electrical & Electronics Engineering, I.T.S. Engineering College organized Expert Talk on Automation in Power System Operation and Control on 07th October, 2020. The talk was delivered by Mr. Guru Sharan Singh, Assistant Professor, Electrical Engineering Department, Rajkiya Engineering College (REC), Banda U.P. (Government College).. The event was started with welcome address by Prof. Upendra K. Agarwal, HOD, EEE department, I.T. S. Engineering College, Greater Noida..

Mr. Singh had discussed about the past, the present and the future of Automation in **Power System Operation and Control**. He explained that an electric power system is a network of electrical components deployed to supply, transfer, and use electric power. Power system operation and control is an important segment in electrical engineering which deals with the efficient, economical and reliable operation of different components of the power system to meet the continually changing load demand for active and reactive power.

Finally, the event coordinator, Mr. Rajiv Ranjan, Assistant Professor of EEE Department, ITS Engineering College, gave a Vote of Thanks to all participants and the guest.

This talk was very helpful to the students who want to make their career in Automation industry and the faculty members who are guiding the student's research & projects in automation.

Program Outcome:

 Students & Faculty members upgraded their knowledge in the field of Automation in power Industries.

Scope of Improvement: To organize the workshop for long duration.

Director

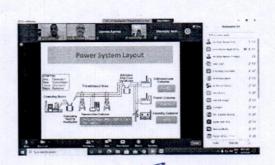

ITS Engineering College Greater Noida

No. of participants: 32 students and 7 faculty members.

Name of Event: Guest Lecture on "Energy Conservation - Energy Conservation is the foundation of energy independence" by Dr. Sanjay Agrawal, Associate Professor-SOET, Maidan Garhi, New Delhi, on the Occasion of World Energy Conservation Day.

Date of Event: 14th December, 2020

Organized by: ERGON Society, EEE Department

Event Coordinator: Mr. Prabhakar Sharma, Assistant Professor ECE Department

Objective: To known the values of energy conservation and its various methods with importance in human life.

Report: This Guest Lecture is specially organized to engineering college students of various branches like ME, ECE, EEE, faculties and technical staff. Guest Lecture was scheduled on 14th December, 2020 from 11:00 AM by Dr. Sanjay Agrawal, Associate Professor-SOET, Maidan Garhi, New Delhi. Guest Lecture Topic was "Energy Conservation - Energy Conservation is the foundation of energy independence- Thomas A. Allen" on the Occasion of World Energy Conservation Day. World Energy Conservation Day is celebrated to encourage society to reduce the amount of power it consumes. In layman's terms, this means embracing strategies like: Conservation - e.g. remembering to turn off the lights when you're not using them.

Dr. Agrawal explained the importance and various methods of energy conservation. He also suggests that how energy conservation is important in human life and how it impacts on the various major problems of environment. This program was totally online. Zoom meeting Link for this Program is as: https://us02web.zoom.us/j/88244763744?pwd=NWxDcUg2L0ZQQmFPcFRSVnduUDRQQT09

Meeting id: 882 4476 3744

Passcode: 527691

Brief Introduction of Resource Person:

Dr. Sanjay Agrawal completed his PhD from Indian Institute of Technology, Delhi and his Post Doctoral Fellowship was from Smart Grid Energy Research Centre, University of California, Los Angeles (UCLA), California, USA. He was awarded the prestigious Bhaskara Solar Energy Fellowship from the Indo-US Science and Technology Forum (IUSSTF) and Department of Science and Technology (DST).

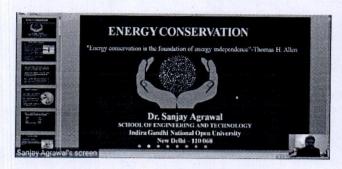

ITS Engineering College Greater Noida

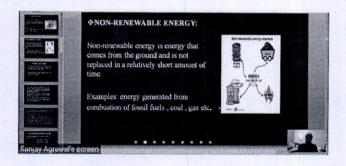

Outcomes:

- Discussion on the importance of world energy conservation in our life.
- · Discuss on various methods of energy conservation.
- · Effect of energy conservation and its advantages.

No. of Student attended: 27

Name of Event: Vishwakarma Puja.

Date of Event: 17th September 2019.

Organized by: ERGON Society, I T S Engineering College Greater Noida.

Event Coordinator: Mr. Prabhakar Sharma

Objective:

To celebrate Vishwakarma Puja and make students aware about the importance of the day.

To enhance the knowledge of faculty members and students in the field of Mechanics and

Architecture.

Report:

EEE department celebrated Vishwakarma Puja to pay obeisance to Lord Vishwakarma; regarded as a

God of architect and engineering. It was a resolution time for all to dedicate them to the cause of

advancement of technology and gain divine inspiration for creating novel products.

The Puja started with lightening lamp in front of Lord Vishwakarma Picture in Electrical Machine

Lab. On this occasion Mr. Upendra Agarwal, HOD -EEE and EEE faculty, Lab staff and students

were present to get the blessings of Lord Vishwakarma. The program was commencing with Prasad

distribution organized by lab staff.

Program Outcome:

• Such holistic activity spreads a positive vive in the department.

• It gives strength, confident and firm determination to work with more dedication

It creates a harmony & unites all in the dept.

No. of participants: 40 students, faculty members and staff.

ERGON Society

ERGON is the departmental professional society of EEE which is constituted with the focus on overall development of student by their involvement in organizing the various activities at institute level which inculcate the leadership and organizing skills in themselves. Also they get exposed with planning and execution of any program including technical, social and financial aspects. The major events which are being conducted on regular basis are Quiz completion, Poster competition, Mock Interviews, Engineer's day celebration, Vishwakarma Pooja, Teacher's day Celebration etc. Presently this society is headed by Ms. Snigdha Sharma, Assistant Professor, EEE department.

Name of Event: Teacher's Day Celebration.

Date of Event: 5th September 2019.

Organized by: ERGON Society, I T S Engineering College Greater Noida.

Event Coordinator: EEE Students

Objective:

To celebrate Teacher's Day and make students aware about the importance of the day.

To enhance the knowledge of students in the field of education.

Report:

Teacher's Day was organized by EEE 2nd, 3rd and 4th year students on 5th sep. 2019. Students welcome all faculty members by wishing them Happy Teacher's Day. The celebration began with the speech on Teacher's Day by one of our students: Ranjan Sinha "A good teacher can inspire hope, ignite imagination and instill love for learning". Teachers Day is celebrated to commemorate the birth of a remarkable Indian scholar who was the first Indian to teach in the prestigious Oxford University. Dr. Sarvepalli Radhakrishnan, who also served as the first Vice President and then as the 2nd President of the country. Dr. Radhakrishnan was very popular among his students and has many prestigious awards on his side."

The students had organized a number of fun games for the teachers which were thoroughly enjoyed and appreciated. The program ended with cake cutting ceremony after which snacks were distributed among all. The faculty members were overwhelmed by the efforts and love shown by the students.

Program Outcome:

 Students understands the efforts put in by their teachers to ensure that they get a proper education.

No. of participants: 40 students and 10 faculty members.

Name of Event: Felicitation Program (EEE-2nd, 3rd year)

Date of Event: 29/07/2016

Organized by: ERGON Society, Department of Electrical & Electronics Engineering

Event Coordinator: Mr. Rajneesh Kumar Gahlot

Activity Objective: The main objective of the program was to motivate the students to attend the classes regularly so that they can improve their academic performance by attending classes regularly.

Report: ERGON Society, EEE department has organized a felicitation program for EEE-2nd and 3rd year students. This program was held in EEE 3rd year classroom. All faculty members and the students of 2nd and 3rd year of EEE department were present in this program. The program was started with the speech of Dr. Vinay Kakkar, HOD EEE. He congratulated the students who got the appreciation certificates for their exemplary overall class attendance during even semester 2015-16. He also motivated the other students to attend the classes regularly. Finally the program was over with the motivational speech of HOD, EEE and faculty members of the department.

Following students got the certificate of appreciation for their exemplary overall class attendance during even semester 2015-16 •

- 1) Aditya Kumar
- 2) Ratnesh Yadav
- 3) Shivam Katiyar
- 4) Avinash Kumar
- 5) Md. Zeehan
- 6) Nikhil ahu
- 7) Prafulla Kant

Program Outcome: The students were highly inspired and motivated from this program and they were showing their interest in attending classes regularly.

Scope of Improvement: For future, we are planning to organize this program at college level with more faculty members and volunteer students to motivate students for the objectives of this program.

Director

ITS Engineering College Greater Noida

Name of Event: TechnoBuzz- A Technical Quiz Competition

Date of Event: 14 March 2016

Organized by: ERGON Society - EEE Department

Event Coordinator: Ms. Neeti Varshney

Objective: The event was organized to judge the technical knowledge of our students on Electrical devices in quick and accurate response mode.

Report:

Ergon Society of Electronics and Electrical Engineering (EEE) department of ITS Engineering College organized a Technical Quiz Competition on Electrical and Electronics subjects on the occasion Sir. Albert Einstein's Birthday. The aim was to develop quick respond ability and creativity of EEE students towards understanding the Electrical devices and their applications in limited span of time. The event was graced by honorable HOD, Faculty members, Alumni of EEE 2014 Pass out Ms. Sakshi Solanki and Students. In the event the participants has to clear 3 rounds of quiz.. The first round was elimination round. Team was formed in the further rounds.

Around 45 students of Electrical and Electronics Engineering participated in the event. There was tough competition among all young engineers. Finally 8 students were shortlisted for the Second round. There was tie for Second Position. The Tie Breaker question was given by Guest Ms. Sakshi Solanki Alumni. The Students enjoyed the video played on Sir Albert Einstein. On the spot prizes were given on the questions related to Sir Albert Einstein.

The winners are:

First Prize: Neshav (EEE- III yr) and Ratnesh (EEE- II Yr)

Second Prize: Usha and Sherya (EEE- II yr)

The Token of Revernce was presented to Ms. Sakshi by HOD sir. Gratitude was expressed to the Student coordinators Abhay Shrama Final Year and Arvind Kumar Third Year, the faculty coordinator Ms. Neeti Varshney. The event was a great success.

Program Outcome:

The event was great success, students enjoyed the Technical Quiz concepts

Director

ITS Engineering College Greater Noida

Scope of Improvement:

This event was organized at departmental level, next time we will try to organize it on college level.

No. of Faculty attended: 05 No. of Student attended: 45

Name of Event: "Mock Interview Session -1"

Date of Event: 08 Feb 2016

Organized by: ERGON Society - EEE Department

Event Coordinator: Ms. Neeti Varshney

Objective:

To prepare the students for the real time interviews and improve the probability of selection in the

companies.

Report:

More than 20 students of EEE final year had participated, out of which 6 students are chosen for

session 1. The session was quite enthusiastic and gave students an opportunity for the real time

interviews. The interview panel includes Mr. Vinay Kakkar [(H.O.D)EEE], Dr. Ashish Gupta[A.P. EC

department], Mr. Manveen Singh chadha [A.P. EC department], Ms. Divya Aggarwal [A.P. EEE

department]. The students not only get the experience of the interview but they had also gain

knowledge about various subjects and get their doubts cleared by none other than the panel of our

judges or interviewees.

Program Outcome:

Such type of events to be organized on regular basis to improve the placement and confidence in the

students.

Scope of Improvement:

Such type of events should be planned for pre-final year and professionals must be invited as

interviewer.

Subject: Proposal for Poster Making competition by ERGON SOCIETY

Sir,

In continuation with the discussion, we are organizing Poster Making Competition under banner of ERGON society

Subject Name : Poster Making Competition

Date : 18.08.2015

Time : 01:30 pm ED Hall Room No 315

For the above mentioned concern, financial expenses which are proposed as below for organizing this event:

 Prize
 : 1000/

 Certificates
 : 500/

 Stationary (Sheet,)
 : 250/

 Poster
 : 100/

 Tea arrangement
 : 50/

Total : 1900/- (One Thousand Nine Hundred Only)

I request you to kindly approve the above.

Director

ITS Engineering College Greater Noida Name of Event: Poster Competition - "Electrical Devices and Applications"

Date of Event: 18/08/2015

Organized by: ERGON Society -EEE Department

Event Coordinator: Ms. Neeti Varshney

Event Objective: To develop innovativeness and creativity of EEE students towards understanding the Electrical devices and their applications.

Report: Ergon Society of Electronics and Electrical Engineering (EEE) department of ITS Engineering College organized a Poster Competition on Electrical Devices and Applications. The aim was to develop innovativeness and creativity of EEE students towards understanding the Electrical devices and their applications. The event was graced by honorable HOD, Faculty members and Students. In the event the participants had to design and present the poster on Electrical Devices and Applications in our daily life within an hour.

Around 60 students of Electrical and Electronics Engineering participated in the event. The contestants were provided with blank sheets to artistic techno talent. The poster made by the participants showed artistic techno talent. The participants presented the posters with their overwhelming thoughts and description to the jury members. The participants were judged on their presentation, intellect, and creative technological skills.

Gratitude was expressed to the Student coordinators Abhay Shrama and Arpit Arora final year, the faculty coordinator Ms. Neeti Varshney. The Judges were Dr. Lokesh Bansal (EEE dept) and Mr. Ashish Gupta (EC), The coloured and the artistic display of electrical devices with their applications was the outstanding part of the event. The event was a great success.

Name of student	Semester	Prize
