The Faculty Development Program on Entrepreneurship, sponsored by DST, Govt of India was organized in the duration from 19th June to 02nd July, 2023. The Faculty Development fprogram on Entrepreneurship was targeted at science and technology faculty members of the various engineering, Polytechnic, and Degree colleges and universities. The details of the program are as follows:

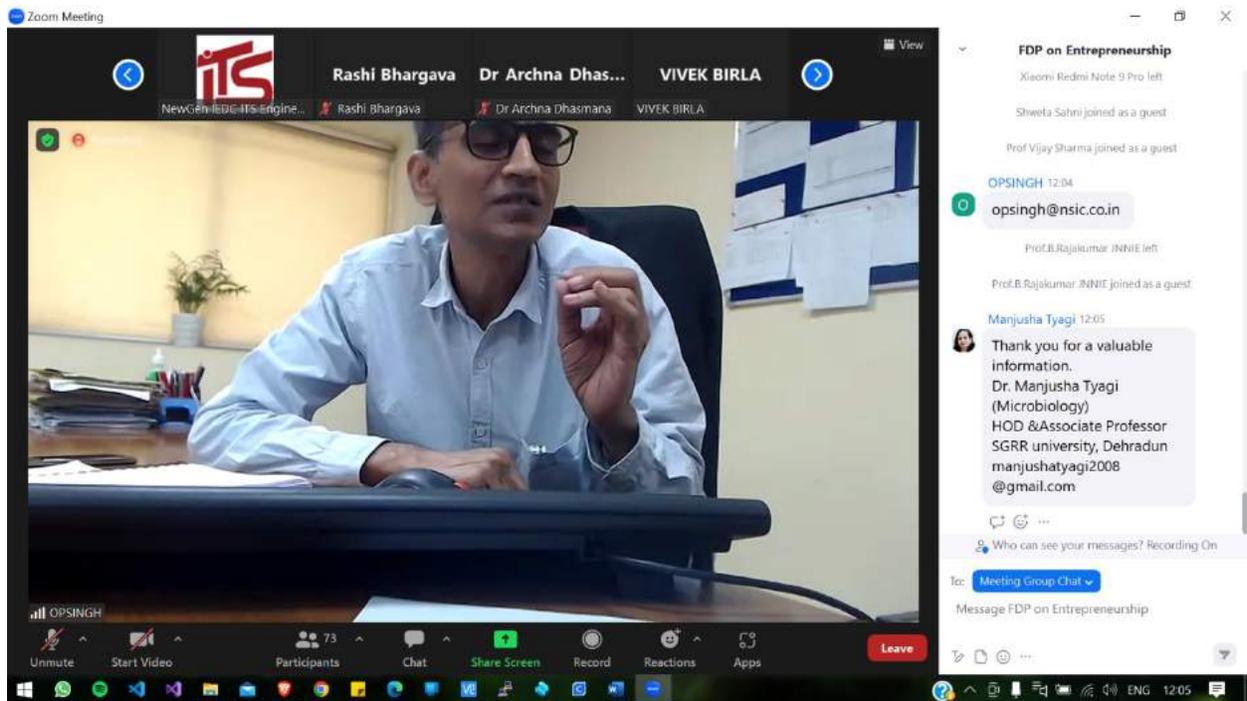

Day 1 Session 1: Inaugural Function

Date: 19-06-23 Time : 11:00 AM - 12:30 PM

Chief Guest : Mr. O.P. Singh, GM, NSIC, GOI

Detail: Expectations from participants, Programme Brief etc.

The program was started with prayers to Maa Saraswati, the Goddess of Knowledge. Mr. Upendra Kumar Agarwal, coordinator of FDP program welcome chief guest, all the dignitaries and participants from various institutes. He also detailed about the program schedule. Mr. O. P. Singh, the chief guest and GM at NSIC, Okhla detailed about various government policies, schemes and plan related to entrepreneurship and innovation. Dr. S.P. Mishra, Advisor-ITS group discussed about role of entrepreneurship in national growth and also described the expectations from the participants. Dr. Mayank Garg, Director-ITS Engineering College, Gr. Noida, paid his gratitude to chief guest for their valuable remarks and extend their best wishes to all participants for the program.

Day 1 Session 2:

Date: 19-06-23 Time : 01:30 PM - 02:45 PM

Resource Person : Dr. SP Mishra, Advisor ITS Group

Topic: Entrepreneurship Development Process

Dr. S. P Mishra detailed about the entrepreneurial development process and discussed about the various parameters related to startups. He also discussed the present scenario of entrepreneurship in country.

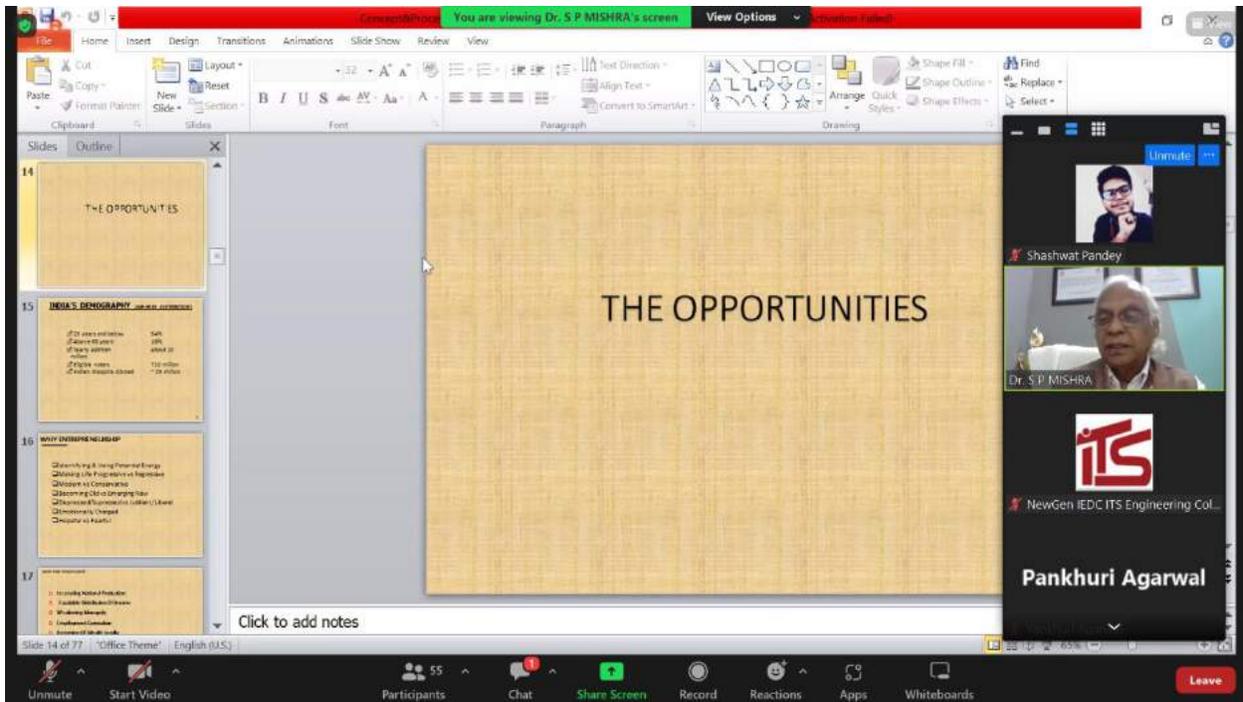

Day 1 Session 3:

Date: 19-06-23 Time : 03:00-04:15 PM

Resource Person : Dr. SP Mishra, Advisor ITS Group

Topic: Entrepreneurship: Importance need & Practice

Dr. S. P Mishra detailed about Importance, need & Practices in the field of entrepreneurship and discussed about the various schemes related to startups.

Day 2 Session 1:

Date: 20-06-23 Time : 10:00 AM - 12:30 PM

Resource Person : Dr. KK Goyal, Ex. Dy. Director MSME

Topic: Ecosystem available for promoting Entrepreneurship

Dr. K K Goyal discussed about the Ecosystem available for promoting Entrepreneurship. He detailed about the various institution, government policies and support available in India for promotion of startups.

Day 2 Session 2:

Date: 20-06-23 Time : 01:30-02:45 PM

Resource Person : Mr. Vivek Gupta, Director, Possibl Global P Ltd

Topic: Assessing Training Needs

Mr. Vivek Gupta discussed about the various training needs related to entrepreneurship. He focused about various training such as prototyping, finance, marketing, communication and legal services.

Activate Windows Go to Settings to activate Windows.

Day 2 Session 3:

Date: 20-06-23 Time : 03:00-04:15 PM

Resource Person : Dr. Mayank Garg, Director, I.T.S Engineering College, Gr. Noida

Topic: Unleashing Entrepreneurship: Present Scenario

Dr. Mayank Garg discussed about the present scenario of entrepreneurship available in India and across the globe. He also discussed about recent successful startups and their founders.

Day 3 Session 1:

Date: 21-06-23 Time : 10:00 -11:15 AM

Resource Person : Dr. R K Lal, Ex. Professor, IERT Prayagraj

Topic: How to Identify Business Opportunities: Environment Scanning

Dr. R. k. Lal discussed about the business opportunities. He focused about the identification of opportunities and related environment scanning.

Day 3 Session 2:

Date: 21-06-23 Time : 11:15:12:30 PM

Resource Person : Dr. R K Lal, Ex. Professor, IERT Prayagraj

Topic: Business opportunity Identification: Sources of Information

In the continuation of the trailing lecture, Dr. R. k. Lal discussed about the various sources of information regarding business opportunities.

The screenshot displays a Zoom meeting interface. The main window shows a PowerPoint slide titled "Business" with a central green circle labeled "Business". Lines radiate from this circle to a list of characteristics: Economic Activity, Production/Purchase of Goods and Services, Selling of goods and services, Continuity in Dealings, Profit Earning, Element of Risk, Uncertain Return, Legal and Lawful, and Consumer Satisfaction. The Zoom toolbar at the bottom includes options like Unmute, Start Video, Security, Participants (48), Chat, Share Screen, Pause/Stop Recording, Reactions, Apps, Whiteboards, and End. A participants list on the right shows names such as NewGen IEDC ITS Engli..., Rajesh THANKS, 210323, Aarti chugh, Abhimanyu Kumar, Alpana Chaudhary, Amit Sehgal, amit yadav, Ashima Gambhir, babitarathore, Bhupesh Ojha, CSE_Dr. Amrit Agrawal, Dr Atul Kaushik, and Dr Gaurav Hastogi.

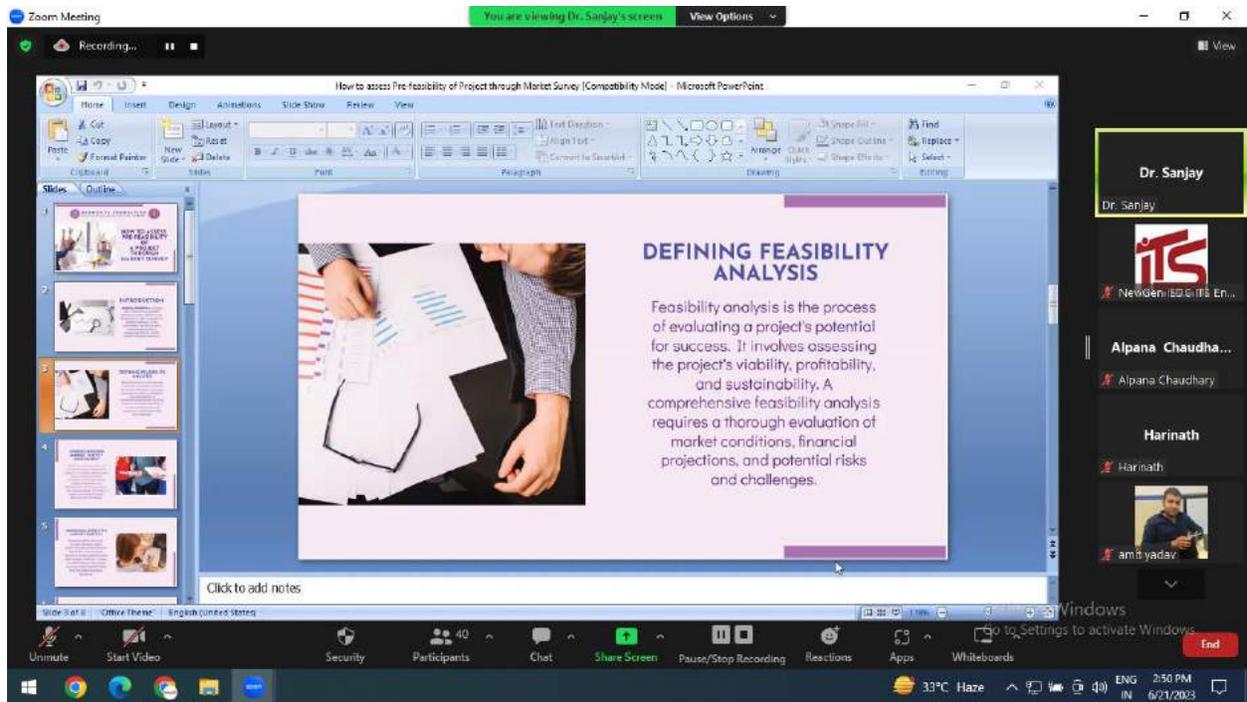

Day 3 Session 3:

Date: 21-06-23 Time : 01:30 - 4:00 PM

Resource Person : Dr. Sanjay Kumar, Manager Incubation, Delhi University

Topic: How to assess Pre-feasibility of Project through Market Survey

Dr. Sanjay Kumar discussed about various parameters of pre feasibility analysis of the project. He also discussed about various tools and methods of market survey in order to have feasibility analysis.

Day 4 Session 1:

Date: 22-06-23 Time : 10:00 AM - 11:15 AM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: Approaches for Entrepreneurship Development

Dr. Rita Sengupta discussed about the various approaches and methods for entrepreneurial development. She also discussed about processes and development stages of entrepreneurial journey.

The screenshot shows a Zoom meeting interface. At the top, a green banner reads "You are viewing Rita Sengupta's screen". The main content is a Microsoft PowerPoint slide titled "Approaches for Entrepreneurship Development". The slide lists five bullet points: "The traditional approach", "The scientific approach", "The product and process approach", "The Incubation Startups", and "Unicons". The Zoom control bar at the bottom includes options for "Unmute", "Start Video", "Security", "Participants" (23), "Chat", "Share Screen", "Pause/Stop Recording", "Reactions", "Apps", "Whiteboards", and an "End" button. On the right side, a vertical list of participants is visible, including Rita Sengupta, Newgen IEDC ITS En..., Ms. Dipmala Singh (G..., Rajeev Sharma, amit yadav, and Vaani Kapoor-Sh...

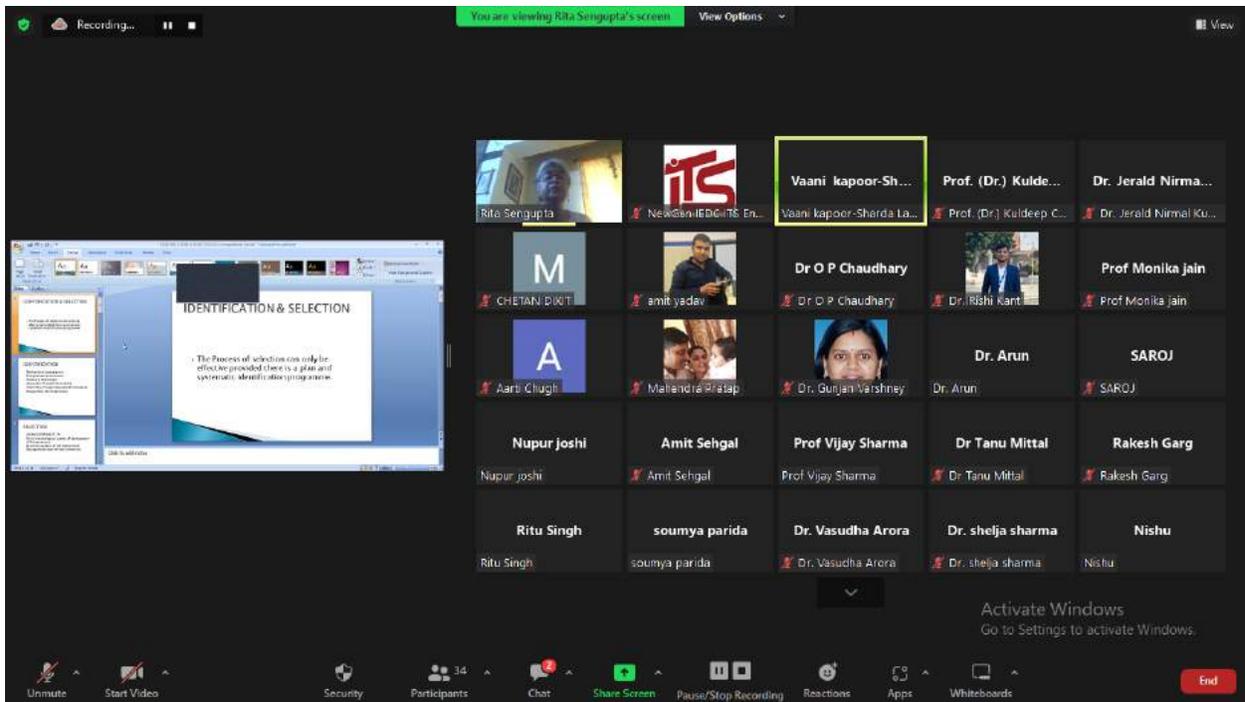

Day 4 Session 2:

Date: 22-06-23 Time : 11:30 - 12:45 PM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: How to promote Entrepreneurship Development Programmes: Methodology, Tools & Techniques

In the continuation of the trailing lecture, Dr. Rita Sengupta discussed about the various tools, techniques and methodologies for promotion of entrepreneurship.

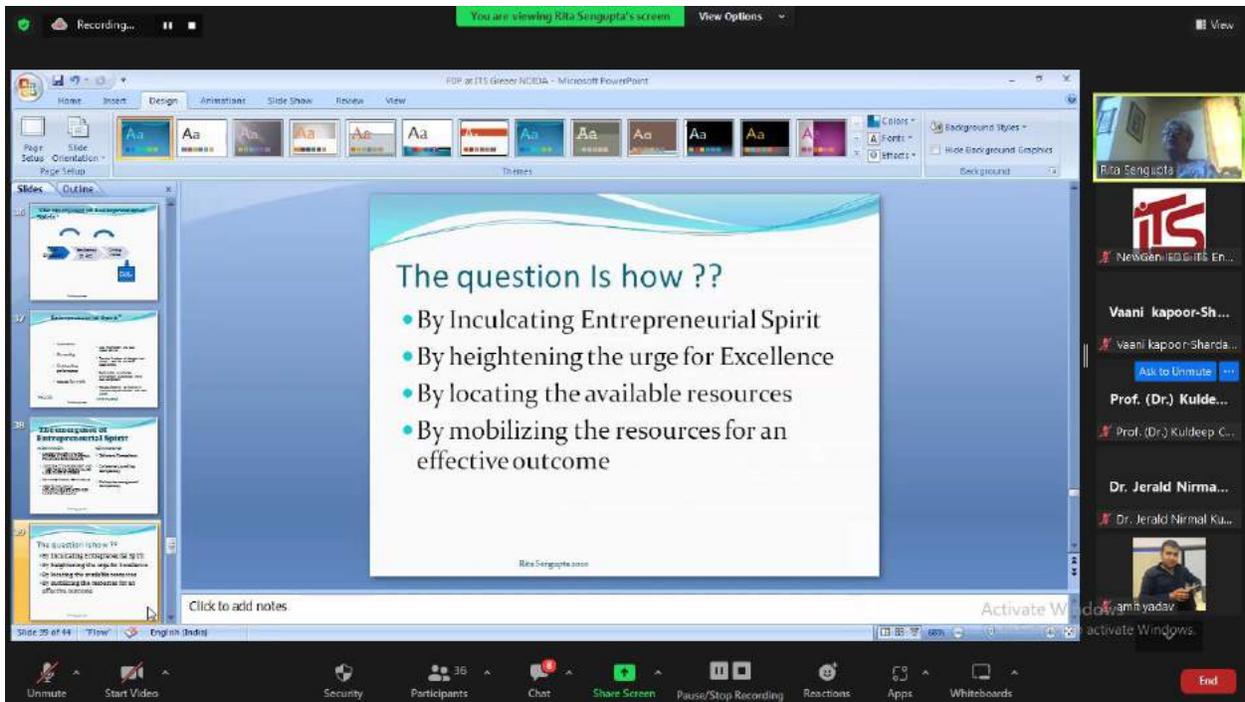

Day 4 Session 3:

Date: 22-06-23 Time : 01:30-02:45 PM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: Personality Traits of an Entrepreneur

In the continuation of the trailing lecture, Dr. Rita Sengupta discussed about the various Personality Traits of an Entrepreneur. She also discussed about the assessment of various parameters related to personality traits.

Day 4 Session 4:

Date: 22-06-23 Time : 03:00-04:15 PM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: Selecting Potential Entrepreneurs: Rationale for Selection

In the continuation of the trailing lecture, Dr. Rita Sengupta discussed about the various selection parameters of potential entrepreneur and with maximizing the possibilities of the success of entrepreneur.

Day 5 Session 1:

Date: 23-06-23 Time : 10:00 AM - 11:15 AM

Resource Person : Dr. KK Goyal, Ex. Dy. Director MSME

Topic: How to Set-up MSME (govt. formalities, rules & regulations etc.)

Dr. K K Goyal discussed about the procedure of setting up the MSME. He discussed in detail about the government formalities , rules and regulations.

The screenshot shows a Zoom meeting interface. The main content is a slide with the following text:

Steps to Set Up an MSME

Mind Set to Become an Entrepreneur

It all begins with an Idea

Main Factors to consider while selecting a business idea - Market demand, Competition, and Personal interest/Expertise

Ideas need to be filtered through a multi-layer sieve.

- Does the idea fire up your motivation?
- Is it a viable business proposition in your area?
- Does it match the needs of your clientele?

Check it out with basic market research

- Test it out at market place
- Consult with the experts
- Look out for competition in the field
- Is it a sunrise industry?
- Your business opportunity
- Project conceptualisation

The slide is displayed in a Zoom window. The top bar shows 'Recording...' and 'You are viewing K K Goyal's screen'. The right sidebar shows video thumbnails for K K Goyal, NewGen IDE... (with an iTC logo), Vaani Kapoor, Prof. Monika Jain, Rajeev Sharma, and Ritu Singh. The bottom toolbar includes 'Mute', 'Start Video (Alt+V)', 'Security', 'Participants (27)', 'Chat', 'Share Screen', 'Pause/Stop Recording', 'Reactions', 'Apps', 'Whiteboards', and 'End'.

Day 5 Session 2:

Date: 23-06-23 Time : 11:30 -01:30 PM

Resource Person : Mr. Abhishek Tiwari, Program Director KPMG & Advisor – StartinUP

Topic: Role & Responsibilities of Supporting Agencies: DIC, SIDC, DI-MSME etc.

Mr. Abhishek Tiwari discussed about the role & responsibilities of Supporting Agencies: DIC, SIDC, DI-MSME etc.

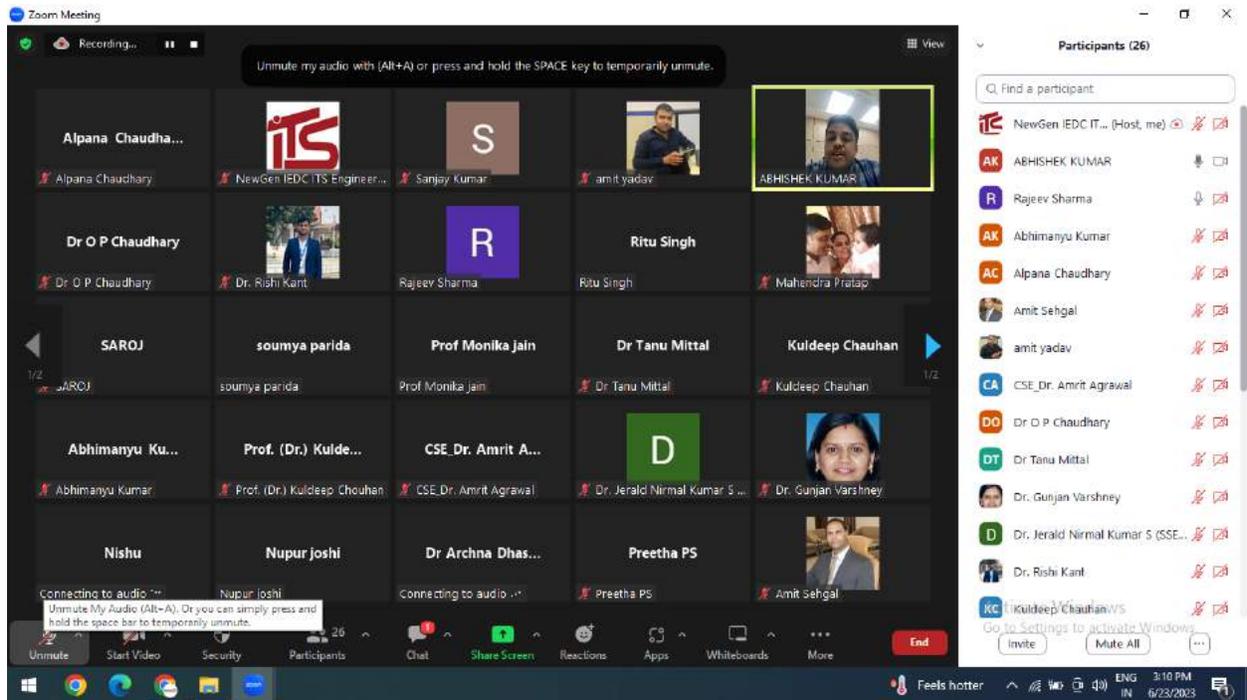

Day 5 Session 3:

Date: 23-06-23 Time : 03:00-04:15 PM

Resource Person : Mr. Abhishek Kumar, DGM, SIDBI

Topic: Support available from Financial Institutions including Banks

Mr. Abhishek Kumar discussed about the Support available from Financial Institutions including Banks.

Day 6 Session 1:

Date: 24-06-23 Time : 10:00 -12:30 AM

Resource Person : Mr. Chirag Choudhary, CEO, Jagmag Lights Ltd.

Topic: Virtual tour to a Factory & online experience sharing with Successful Entrepreneur – 1

Mr. Chirag Choudhary discussed about his entrepreneurial journey and shared his experiences about various entrepreneurial journey. He also presented the virtual tour of his company.

Day 6 Session 2:

Date: 24-06-23 Time : 02:00 -03:30 PM

Resource Person : Mr. Vivek Kumar Singh, CEO, Suntree Technologies Ltd.

Topic: Virtual tour to a Factory & online experience sharing with Successful Entrepreneur – 2

Mr. Vivek Kumar Singh discussed about his entrepreneurial journey and shared his experiences about various entrepreneurial journey. He also presented the virtual tour of his company.

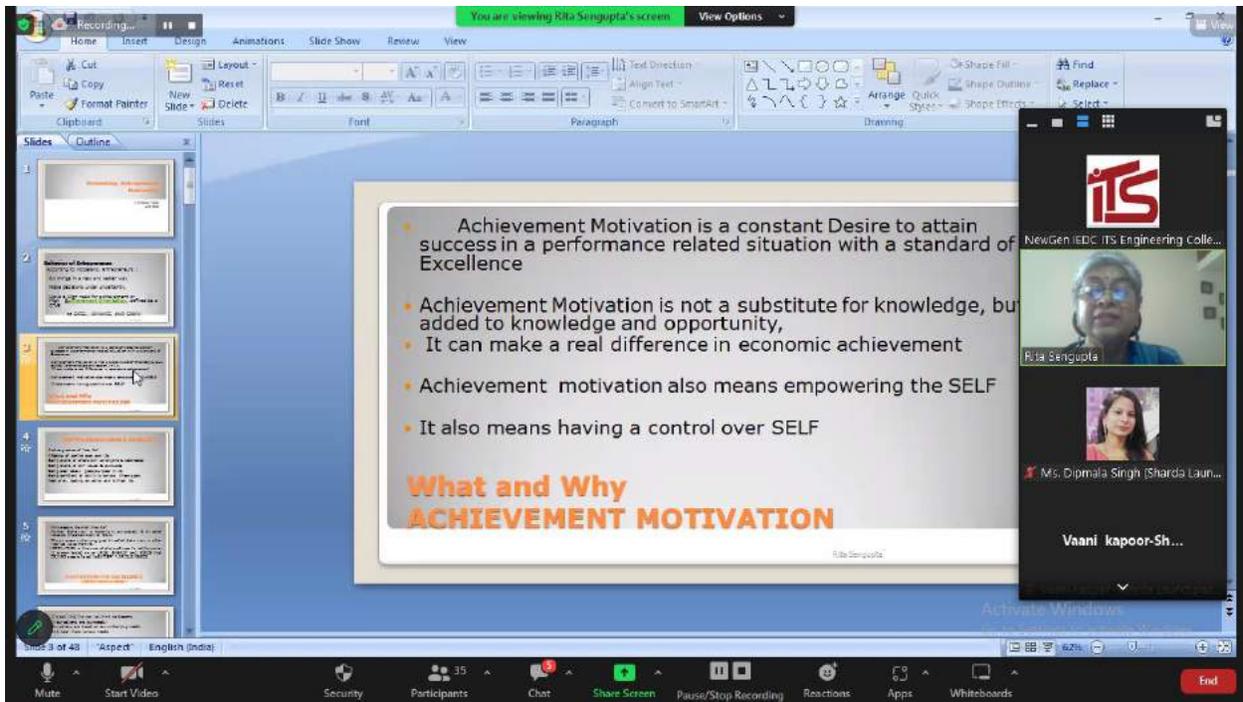

Day 7 Session 1:

Date: 26-06-23 Time : 10:00 -12:30 PM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: Promoting Entrepreneurial Motivation : Concept and Process-1

Dr. Rita Sengupta discussed about the various parameters of entrepreneurial motivation. She also discussed about the various concepts and processes related to motivation.

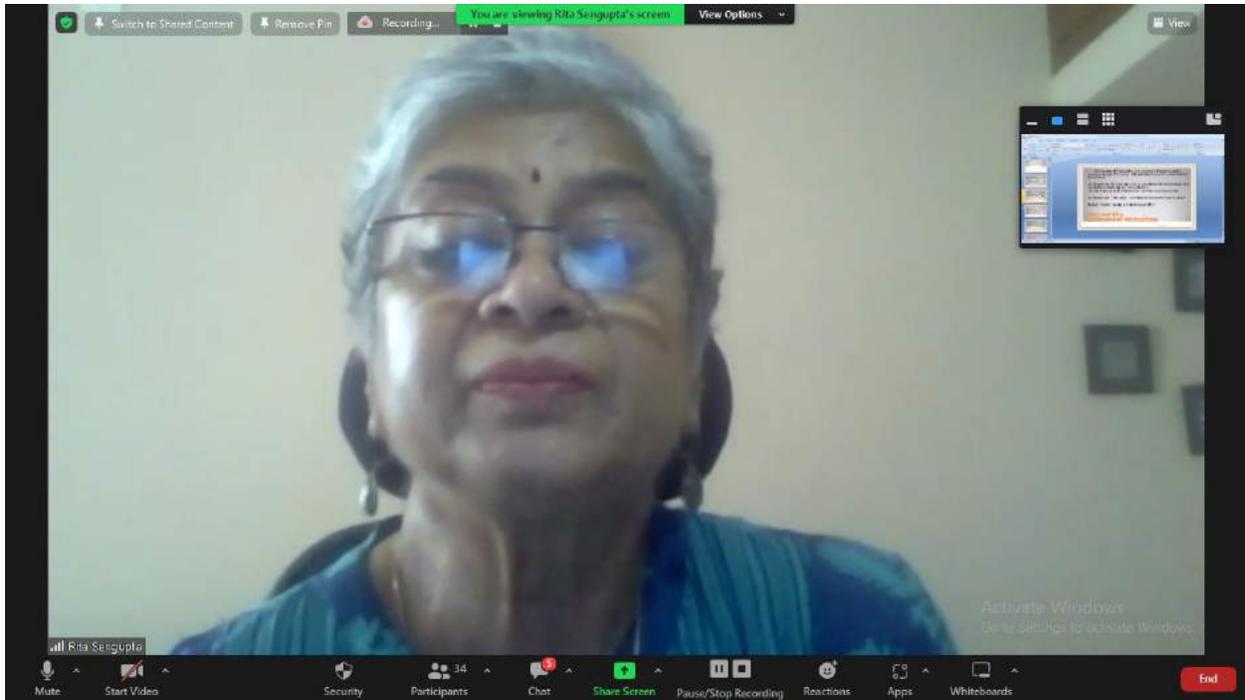

Day 7 Session 2:

Date: 26-06-23 Time : 01:30 -04:00 PM

Resource Person : Dr. Rita Sengupta, Ex. Director, NIESBUD

Topic: Promoting Entrepreneurial Motivation : Concept and Process-2

In the continuation of the trailing lecture, Dr. Rita Sengupta discussed about the various parameters of entrepreneurial motivation. She also discussed about the various concepts and processes related to motivation.

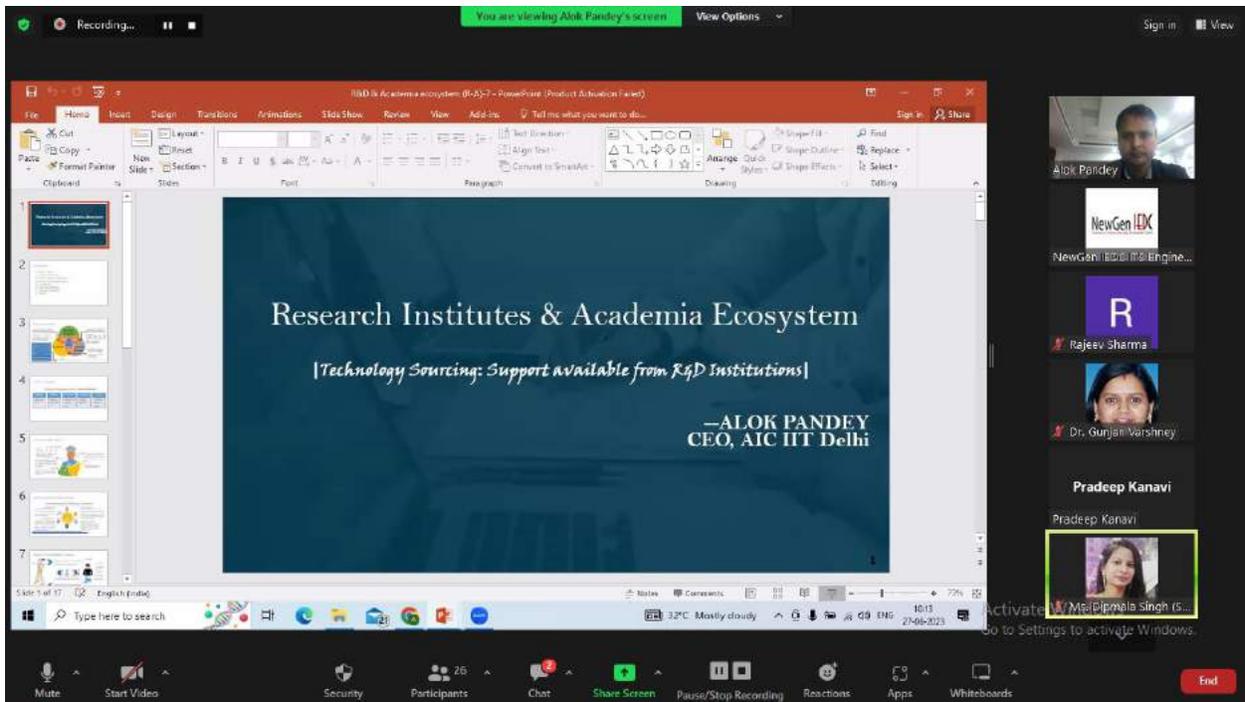

Day 8 Session 1:

Date: 27-06-23 Time : 10:00 -12:30 PM

Resource Person : Mr. Alok Kumar Pandey, CEO, AIC IIT Delhi

Topic: Technology Sourcing: Support available from R&D Institutions

Mr. Alok Kumar Pandey discussed about various support available from R&D Institutions. He also discussed about the technology sourcing by various s government and non government organization.

Day 8 Session 2:

Date: 27-06-23 Time : 01:00 -04:00 PM

Resource Person : Mr. Imran Yusuf, Manager Incubation IIT Kanpur

Topic: Promoting Innovative Ventures: Role of Technology Business Incubator (TBI)

Mr. Imran Yusuf discussed about various support available from Technology Business Incubator (TBI). He also discussed about promotion of innovative culture in new venture.

Day 9 Session 1:

Date: 28-06-23 Time : 10:00 -12:30 PM

Resource Person : Ms. Pooja Kumar, CEO, Innove Intellect LLP

Topic: IPR, Pattern, Copy Rights, Trade Mark and Industrial Management

Ms. Pooja Kumar discussed about the various laws and procedures related to IPR, Pattern, Copy Rights, Trade Mark and Industrial Management

Day 9 Session 2:

Date: 28-06-23 Time : 01:00 -04:00 PM

Resource Person : Mr. Rachit Kumar, Founder & CEO, Bizfinn

Topic: Marketing management in MSME: Sales, Advertisement & Brand Building

Mr. Rachit Kumar discussed about the various marketing management traits for Sales, Advertisement & Brand Building. He also discussed about promotion schemes for business expansion.

Day 10 Session 1:

Date: 30-06-23 Time : 10:00 -12:30 PM

Resource Person : Mr. Ujjwal Modi, CA, Ajay Ujjwal & Associattes

Topic: Financial Management in MSME

Mr. Ujjwal Modi discussed about financial management in the startup venture. He detailed about the assets, liabilities and profit. He also discussed about the inflow and outflow of the money in the organization.

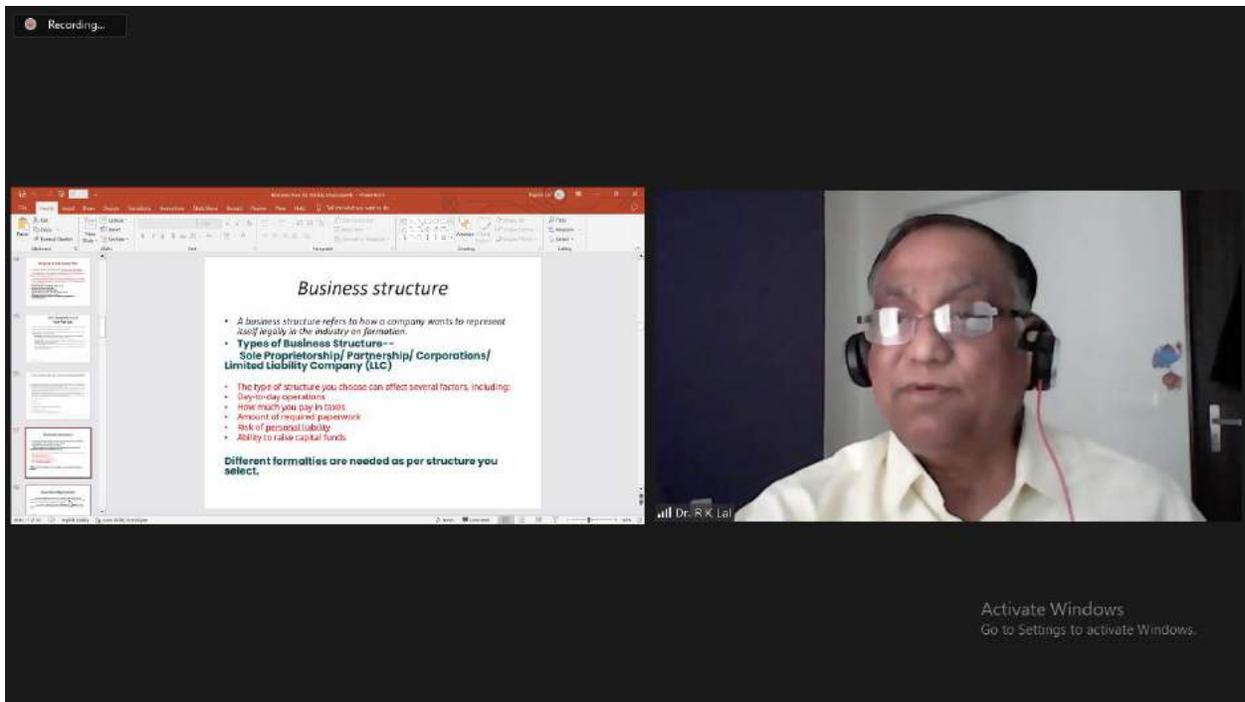

Day 10 Session 2:

Date: 30-06-23 Time : 01:00 -04:00 PM

Resource Person : Dr. R K Lal, Ex. Professor, IERT Prayagraj

Topic: Developing Business Plan (Project Report): Format, Content & Sequencing

Dr. R. K Lal discussed about the preparation of project report for business plan. He discussed in detail about various formats content and sequencing of the business plan.

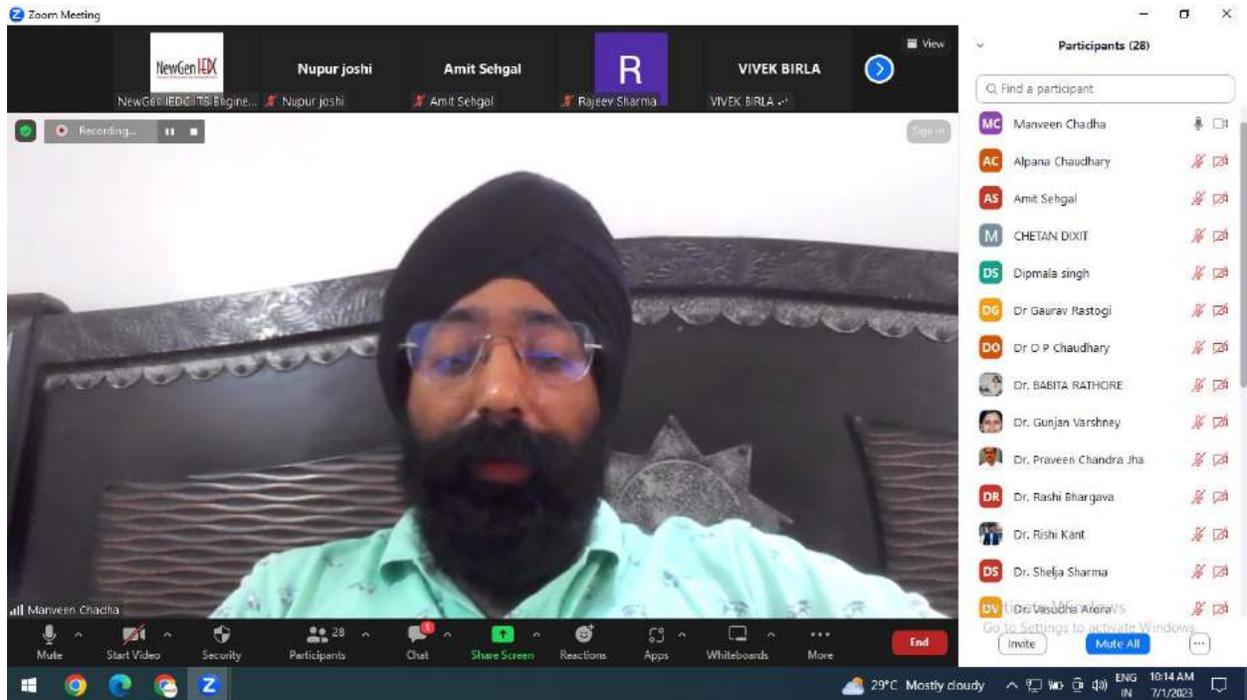

Day 11 Session 1:

Date: 01-07-23 Time : 10:00 -12:30 AM

Resource Person : Mr. Manveen Chadda, Manager, FITT, IIT Delhi

Topic: Problem solving & decision making

Mr. Manveen Singh Chadda discussed about the various problem solving techniques and the standard procedures for concluding the decisions.

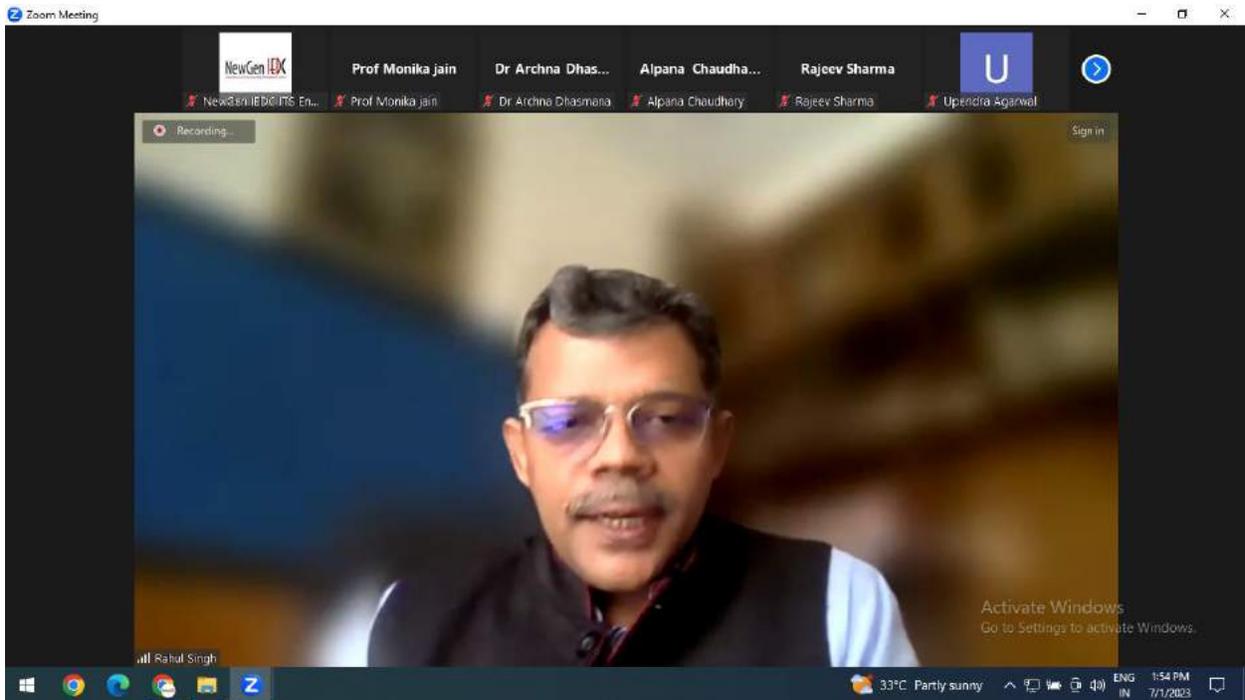

Day 11 Session 2:

Date: 01-07-23 Time : 01:30-02:45 PM

Resource Person : Dr. Rahul Singh, Professor BIMTECH Gr. Noida

Topic: Cost of Project, Sources of finance, Profitability

Dr. Rahul Singh discussed about the cost of project and related sources of finance for incorporation. He also discussed in detail about the various parameters of profitability.

Day 11 Session 3:

Date: 01-07-23 Time : 03:00-04:15 PM

Resource Person : Mr. Vivek Kumar Singh, CEO, Suntree Technologies Ltd.

Topic: BEP, Working Capital Assesment

Mr. Vivek Kumar Singh discussed about the Break Even Point in demand, supply, capital investment, running cost and profit. He also discussed about working capital assessment.

The screenshot shows a Zoom meeting interface. At the top, it says "Recording..." and "You are viewing Vivek Kumar Singh's screen". The main content is a slide with the following text:

Meaning:

Capital required for a business can be classified under two categories:

- i) Fixed Capital-Long term funds
- ii) Working Capital-Short Term Funds

Definition: Shubin: "Working capital is the amount of funds necessary to cover the cost of operating the enterprise."

Genestenberg: "Circulating capital means current assets of a company that are changed in the ordinary course of business from one form to another, as for example, from cash to inventories, inventories to receivables, receivables into cash."

At the bottom of the slide, there is a small video thumbnail of a man wearing a headset, labeled "Vivek Kumar Singh". Below the slide, there is a Windows watermark: "Activate Windows Go to Settings to activate Windows." The Zoom control bar at the bottom includes icons for Unmute, Start Video, Security, Participants (30), Chat, Share Screen, Pause/Stop Recording, Reactions, Apps, Whiteboards, and an End button.

Day 12 Session 1:

Date: 02-07-23 Time : 10:00 -11:15 AM

Resource Person : Mr. Alok Kumar, Training Consultant, Making Life Interesting Foundation

Topic: Business Communication

Mr. Alok Kumar discussed about the role of communication in the business. He emphasized on the good and effective communication in oral and written documentation for successful startup venture.

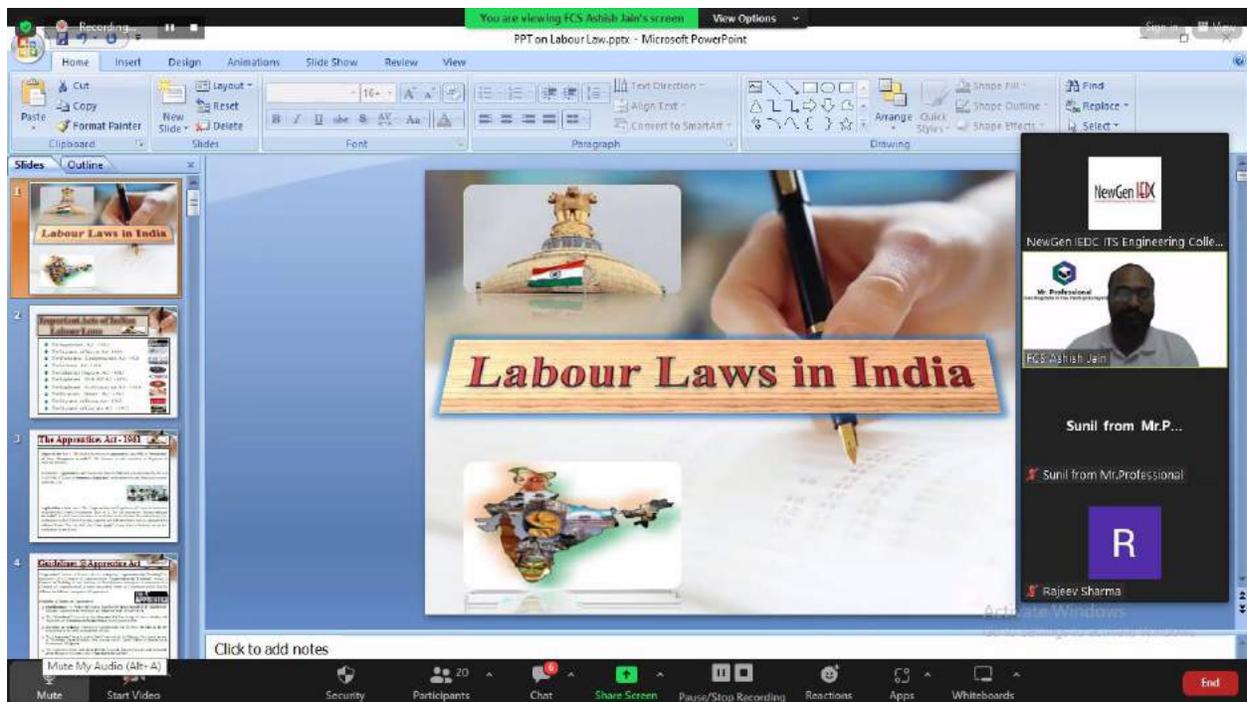

Day 12 Session 2:

Date: 02-07-23 Time : 11:30 -12:45 PM

Resource Person : Mr. Sunil Jaiswal, Founder, Mr. Professional Fin. & Legal Services

Topic: Legal Formalities in an Enterprise: (Factory Act, PF, Labour Laws etc.)

Mr. Sunil Jaiswal discussed about the various legal formalities for an enterprise. He discussed in detailed about Factory Act, Labour laws an various PF schemes.

Day 12 Session 3:

Date: 02-07-23 Time : 01:30 -04:15 PM

Guest : Dr. S. P. Mishra, Advisor I.T.S Group

Topic: Action Plan and Feedback, and Valedictory Function

The program concluded with the discussion about the action plan and feedback for future reference and continuous improvement in the organization of such programs. The program ended with the concluding remarks by Dr. S. P Mishra and best wishes for future endeavors.

Program Outcome:

The participants are expected to acquire various skills like-

- The understanding behind entrepreneurship becomes clearer.
- The participants would be able to list out the learning on the contents of the project report, the importance of the project report, and the procedures to be followed for the preparation of the project report.
- The faculty members are now equipped with various terms and traits of entrepreneurship and able to inculcate the seeds of entrepreneurship in their students.

Name of Event: ENTREPRENEURSHIP AWARENESS CAMP

Date of Event: 13th – 15th Nov. 2019

Venue: Mayawati Girls Polytechnic College, Badarpur, Dadri, Greater Noida

Sponsored by: Department of Science and Technology, New Delhi

Event Coordinator: Mr. Saurav Kumar

Objective: The main objective of the Camp was to make aware the students of the different areas of skills where they can establish themselves as entrepreneurs and create a job for others.

Report: Entrepreneurship Awareness Camp sponsored by Entrepreneurship Development Institute of India, Ahmedabad, and DST, Government of India, New Delhi was organized at **Mayawati Girls Polytechnic College, Badarpur, Dadri, Greater Noida** by ITS Engineering College, Greater Noida from **13th– 15th Nov. 2019**.

Day 1

Day 1 started with the lighting of the lamp followed by an Inaugural address from Dr. S.K. Yadav Director, **Mayawati Girls Polytechnic College, Badarpur, Dadri, Greater Noida**, He talked about his “Entrepreneurship (general concepts)”. The program started by Mr. Saurav Kumar by giving an introduction to students regarding three days camp benefits and what will be the outcome after attending this workshop. After that, **Mr. Saurav** introduced the term "**Entrepreneur**" to students. He shared his view with live examples and learning exercises on the topic "**Entrepreneurship (general concept)**". A quiz was played about young entrepreneurs of India and how to work in a team. He talked about the advantages of being your boss and motivated all the students to look for avenues other than searching for a job after college. He also shared the business sensing opportunities techniques by giving examples to participants.

The next session was by **Dr. Vikas Singh**, he explained a detailed analysis of “Historical background-Indian values vis-a-vis Entrepreneurship and the present scenario”.

The next session was by **Mr. Mahip Singh**, who explained "**Identification of opportunities for entrepreneurs**".

Day 2

On Day 2, the session was started by **Mr. Saurav Kumar** who shared his views with the participants on “**Financial aspects of SSI unit including salient features of a project report**”.

The second session was continued by **Mr. Ved Ratan**. He explained the role of “**Support and financial assistance from Govt. agencies, banks, financial institutions, SFCs and others- securities demanded by FIs/banks, etc.**”. He also discussed “**Tech. & commercial Aspects of SSI unit (General concept only)**”. The next session was started by Mr. Mahip Singh, he

explained a detailed analysis of "How to start an SSI unit (General concept about the Govt. formalities, rules & regulation, location, and different aspects of an industrial venture)".

Day 3

On the last day of the program, **Mr. Saurav Kumar** at Uniconverg Technologies Pvt. Ltd. Noida and “**Discussion with participants for their reaction about the camp**”.

The next session was started by **Mr. Saurav Kumar**, he shared his views on “**Entrepreneur’s success stories- common problems faced by entrepreneurs**”.

The last session was the feedback and valedictory session in which certificates were distributed to the participants by Mr. Saurav The program was highly appreciated by the participants in terms of entrepreneurship skill development. The students felt very passionate to turn their innovative ideas into reality.

Name of Event: Entrepreneurship Development Program on “Machine Learning”

Date of Event: 24th Feb 20 to 19th March 2020

Venue: New Gen Building, I.T.S Engineering College, Greater Noida

Organized by: Entrepreneurship Development Cell, I.T.S Engineering College, Greater Noida

Sponsored by: Department of Science and Technology, New Delhi

Event Coordinator: Mr. Saurav Kumar

Objective: The objectives of the event are “Machine Learning”

- To provide hands-on training.
- To create an awareness of the need and importance of entrepreneurship.
- To plan a curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude, and can cope with the changing times.
- To make them aware of promotional financial & regulating schemes for MSME.
- To guide them for techniques of preparation of feasible & viable projects.
- To guide them for "Techniques of proposal preparation, etc.

Detailed Report:

The Entrepreneurship development program on machine Learning sponsored by DST, Govt. of India was started on 24th Feb 20 to 19th March 2020. The Entrepreneurship Programs are targeted at science students of the various engineering, Polytechnic, and Degree colleges and universities. Therefore, keeping this fact in mind I.T.S Engineering College has organized an Entrepreneurship Development Program. The details of the program are as follows:

Day 1:

The program was inaugurated by Dr. Vikas Singh, Executive Director I.T.S The Education Group & Dr. S.P. Mishra, Advisor, I.T.S The Education Group, Mr. O. P. Singh GM, NSIC Okhla, Govt of India. Further Mr. O.P.Singh shared his inputs on “Expectations from trainees, Final Goal, Program Strategies”. The Session was concluded by Dr. S.P. Mishra on “Who is an Entrepreneur & Charms of being Entrepreneurs”.

Day 2:

On the first session of the second day, Mr. Saurav Kumar provided his input on “Developing Entrepreneurial Competencies (Achievement Motivation Training)”.

In the second session, Dr. Kamal Gupta shared his views on “How to assess the working capital requirement for SSI”.

Day 3:

On day 3 the session was taken by Mr. Amit Kumar who provided “Basics of Machine Learning”.

Day 4:

On the 4th day of the program in the first session, Mr. Saurav Kumar talked about “How to find out pre-feasibility of a Project”. In the second session, Prof. Sana provided her lecture on “Business Opportunity Guidance Interactions with DIC, SISI, Bank, KVIC, etc”.

Day 5:

On Day 5th session Mr. S.K. Tiwari talked and shared details on “How to find out pre-feasibility of a Project" and in further sessions provided input on "Preparing Pre-feasibility Report: Preliminary Project Report (PPR)”.

Day 6:

On day 6th session, Mr. Danish from Mapping Skills Pvt. Ltd. shared details on "Classifications of Machine Learning".

Day 7:

On day 7th session, Mr. Mukeesh, Brand Management Consultant (Google certified) talked about “Incubation and networking Training”.

Day 8:

On day 8, the session was provided by Mr. Amit Kumar who gave his input on “Concepts and Training of Machine Learning”.

Day 9:

On the 9th day of the program in the first session, Mr. Saurav Kumar provided his input on “Linking Business Opportunities with Trainees”.

The second session was taken by Mr. Mukeesh, Brand Management Consultant (Google certified) on “Google Training”.

Day 10:

On the 10th day of the program, Dr. Rita Sen Gupta, Ex-Director, NIESBUD shared her views on "Developing Entrepreneurial Competencies (Achievement Motivation Training)".

Day 11:

On the 11th day of the program in the first session, Prof. Sana provided her input on “Working Capital Management”.

The second session was taken by Ms. Sonal Gupta on “Soft Skill Development Communication, Soft Skill Development Information Seeking”.

Day 12:

On day 12th session, Mr. Satendra Kumar, G.M., TBI, KIET, Ghaziabad provided his input on “Preparing Pre-Feasibility Report Preliminary Project Report (PPR)”.

Day 13:

On day 13th session, Mr. Saurav Kumar provided his input on “Industrial Visit (jagmag Light Pvt. Ltd.)”.

Day 14:

On day 14th session, Mr. Amit Kumar, Trainer, Mapping Skills Pvt. Ltd. Shared his views on “Algorithms of machine learning”.

Day 15:

On day 15th, the first session was taken by Mr. Manvendra Yadav who provided his input on “Evaluating the PPRs prepared by the Trainees”.

The second session was taken by Mr. Mahip Singh on “Production Planning in MSME”.

Day 16:

On day 16th session, Mr. Amit Kumar, Trainer, Mapping Skills Pvt. Ltd. Shared his views on the " Concept of Artificial intelligence in Machine Learning”.

Day 17:

On day 17th session, Dr. Vikas Singh provided his input on “Negotiation, Networking & Leadership”.

Day 18:

On day 18th session, Dr. Kamal Gupta provided his input on “Cash flow, Profitability & Balance Sheet”.

Day 19:

On day 19th session, Dr. Rashmi Kaushik provided her input on “Marketing, Management Product Promotion, Sales and Adverts Marketing”.

Day 20:

On day 20th session, Mr. Pushpendra Kumar, Mapping Skills Pvt. Ltd. provided his input on “Training Of Machine Learning”.

Day 21:

On day 21st session, Mr. Chandan Kumar Sharma, Senior Manager, Retail Assets, Delhi South Cluster provided his input on "Legal Formalities for Loan, Disbursement & Interfacing with Leading Institutions for Business Plan Appraisal".

Day 22:

On day 22nd, the first session was taken by Dr. Shweta Singh, Founder & CEO, Ennoble IP on "Importance of Intellectual Property Right for MSMEs and Startup".

The second session was taken by Dr. S.P. Mishra & Mr. Saurav Kumar on "Feedback from Participants & Valedictory Session".

Name of Event: ENTREPRENEURSHIP AWARENESS CAMP

Date of Event: 25th – 27th Oct. 2021

Venue: I.T.S. Engineering College, Greater Noida

Sponsored by: Department of Science and Technology, New Delhi

Event Coordinator: Mr. Mahip Singh

Objective : The main objective of the Camp was to make aware the students about the different areas of skills where they can establish themselves as Entrepreneur and create a job for others.

Report : Entrepreneurship Awareness Camp sponsored by Entrepreneurship Development Institute of India, Ahmedabad and DST, Government of India, New Delhi was organized at I.T.S. Engineering College, Greater Noida by ITS Engineering College, Greater Noida from 25th– 27th Oct. 2021.

Day 1 (25 November 2021)

Day 1 started with lightening of lamps followed by Inaugural address from **Mr. Anil Kumar, Dy. Commissioner DIC Industries**. He talks about his “**Entrepreneurship general concepts**” The program started by **Mr. Mahip Singh** by giving introduction of the program to the students regarding three days camp benefits and about the outcome after attending this workshop. After that, **Mr. Mahip** introduced the term “**Entrepreneur**” to the students. He shared his view with live examples and learning exercises on the topic “Entrepreneurship (general concept)”. A quiz was played about young entrepreneurs of India and how to work in a team. He talked about the advantages of being your own boss and motivated all the students to look for avenues other than searching for a job after college. He also shared the business sensing opportunities techniques by giving examples to participants.

Next session was by **Dr. S.P. Mishra, Advisor, I.T.S.-The Education Group**. He explained detailed analysis of “**Becoming an Entrepreneur**”

Next session was by **Mr. Deependra Kumar, Assistant Commissioner DIC, Gautam Budh Nagar**. He explained about “**Different Govt. Policies for Entrepreneurs**”.

Day 2 (26 November 2021)

On Day 2, session was started by **Dr. Pallavi Bharadwaj, Assistant Professor, Army Institute, Greater Noida**. She shared her views with the participants on “Market sensing for startups”

Second session was continued by **Mr. Ved Ratan, Lead District Manager, Canara Bank**. He explained the role of “Support and financial assistance from Govt. agencies, banks, financial

institutions, SFCs and others-securities demanded by FIs/banks etc.". He also discussed on "Tech. & commercial Aspects of SSI unit (General concept only)".

Next session was started by **Mr. Deepak , Mr. Anuj Director, Erri-clay**. They explained about "**Students entrepreneurial nitraton.**" He shared his views on "Entrepreneur's success stories-common problems faced by entrepreneurs".

Day 3 (27 November 2021)

On the last day the program was about Interaction with industries, Ms. Upasana Singh Director, Jagmag lights Pvt. Ltd. Was invited. She explained how the process goes on in the industry and what are the difficulties and about the solutions.

Next session of "Interaction with Industry " was started by **Mr. Sanjay Garg, UAV Tech Executive Vymanik Aerospace Pvt. Ltd.** His team explained about the different processes of drone manufacturing and assembly.

The last session was the feedback and valedictory session in which certificates were distributed to the participants by **Dr. S.P. Mishra Advisor I.T.S. The Education Group & Dr. B.C.Sharma Director I.T.S. Engineering College**. The programme was highly appreciated by the participants in terms of entrepreneurship skill development. The students felt very passionate to turn their innovative ideas into reality.

Technology-based Entrepreneurship Development Program

on

"Internet of Things (IoT)"

Date of Event: 20 December 2019, to 1st Feb 2020

Venue: Raman Hall, NewGen Building

Organized by: Entrepreneurship Development Cell, ITS Engineering College, Greater Noida

Sponsored by: Department of Science and Technology, New Delhi

Event Coordinator: Mr. Saurav Kumar

Objective: The objectives of the event:

- To provide hands-on training on "Internet of Things (IoT)"
- To create an awareness of the need and importance of entrepreneurship.
- To plan a curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude, and can cope with the changing times.
- To make them aware of promotional financial & regulating schemes for MSME.
- To guide them for techniques of preparation of feasible & viable projects.
- To guide them for "Techniques of proposal preparation, etc.

Report:

The Technology-based Entrepreneurship development program on the "Internet of Things (IoT)" sponsored by DST, Govt of India was started on 20th December 2019 to 01st February 2020. The Technology-based Entrepreneurship Program is targeted at science students of the various engineering, Polytechnic, and Degree colleges and universities. Therefore, keeping this fact in mind I.T.S Engineering College has organized Technology based Entrepreneurship Development Program.

Day 1:

The program was inaugurated by Dr. Vikas Singh Executive Director ITS The Education Group Session Greater Noida & Mr. Saurav Kumar was concluded by Dr. S P Mishra on "Who is an Entrepreneur & Charms of being an Entrepreneur"

Day 2:

On the first session of the second day, Mr. Ashish Kumar provided his input on "Schemes of Assistance for MSMEs: NSIC, SIDBI, DIC, and Other Support Agencies". Later on Mr.

Manveen Singh Chadha, EDC Coordinator, ITS Engineering college talked about the Importance of Technology and knowledge-based entrepreneurship.

Day 3 :

On day 3, first session Dr. S P Mishra provided inputs on “How to Identify Business Opportunities and Opportunities identification: Criteria of selection & Sources of Information and on the second session Mr. Saurabh Varshney talked on "How to Conduct Market Survey: Tools, Techniques and Guidelines"

Day 4:

On the 4th day of the program Visit and presentation at "NSIC, Okhla New Delhi" where students were given a presentation about NSIC schemes and then they were exploring various sections including technologies such as Solar, Embedded, etc.

Day 5th

The first session was taken by Mr. Rachit Kaushik who talked about and shared details on "Soft skill development: communication and Soft skill development. Whereas in the second session Mrs. Pallavi Bharadwaj provided input on "Briefing and Planning for the Market Survey: Questionnaire Preparation"

Day 6, Day 7 & day 8:

On day 6 & day 7, participants worked on Conducting Market surveys and Data Collection for the identified business opportunities and discussed their feedback on market surveys and evaluation under the supervision of Mrs. Pallavi Bharadwaj. On day 8, in the second session, Mr. Ankur Srivastava provided input on “Interactions with Technical Experts for finalizing projects “

Day 9 to Day 11:

The session was headed by Dr. B.B.Das and L K Verma on Developing entrepreneurial competencies (achievement motivation training) which included many activities and events as well as lectures to develop entrepreneurial skills among participants.

Day 12:

Mr. Satendra Kumar taught participants How to Prepare a Detail Project report and continued in the second session by sharing details on Production Planning in MSME.

Day 13:

On the 13th day of the program, Mr. Gopal Gupta provided input on Working Capital Assessment & Management in SSI and Break-even point, and in the second session he discussed "Purchase technique and Product Costing and Cost Consciousness ".

Day 14:

On the 14th day of the program, Mr. Gopal Gupta provided input on Product Costing and Cost Consciousness and continued in the second session on the topic “Profitability & balance sheet”.

Day 15:

On the 15th day of the program, Mr. Ankur Srivastava provided input on Cash flow and Production planning and continued in the second session with Mr. Satendra Kumar to finalize with participants on "Preparation of Detailed Project Report".

Day 16:

On the 16th day of the program in the first session, Mr. Saurabh Varshney provided input on Marketing Management and Financial management. In the second session, Mr. Sachin Sinha provided his inputs on the topic "Financial management".

Day 17:

On the 17th day of the program in the first session, Mrs. Snigdha Dash provided input on Human resource management and Time management. In the second session, Mr. Tarun Khurana provided his inputs on the topic "IPR and its Management and Pattern, copyrights, trade Mark and industrial registration".

Day 18:

On the 18th day of the program in the first session, Dr. Himani Goswami provided input on Negotiation and Networking and Delegation of Authority and Work Efforts. In the second session, Dr. S.P.Mishra provided his inputs on the topic "Leadership modes Efficiency Orientation and Systematic Planning".

Day 19:

On the 19th day of the program's first session, Mr. Ashraf Parvez provided input on Legal Formalities in an Enterprise. In the second session, he continued and provided his inputs on the topic "Taxation: Various Taxes Applicable to MSME".

Day 20:

Mr. Ashraf Parvez continued his session by providing input on Legal formalities for Loan Disbursement. In the second session, Mrs. Neeti Varshney provided his inputs on Interfacing with Leading Institutions for Business Plan Appraisal and Interfacing with R&D Institutions for Technology Sourcing.

Day 21 to Day 35 :

A training program based on Java and Android applications was given by Mr. Shubham Tripathi in which hands-on exposure was provided to students so that they can develop skills of coding and app development.

Day 36:

On day 36th in the first session, Mr. Manveen Singh Chadha summarized the feedback of participants. In the second session Dr. S P Mishra talked to participants on "Action plan preparation valedictory leadership modes" and at last the Valedictory session was held in presence of Dr. S P Mishra and EDC members of ITS Engineering College Greater Noida.

Program Outcome:

The participants are expected to acquire various skills like-

- The understanding behind entrepreneurship becomes clearer.
- The participants would be able to list out the learning on the contents of the project report, the importance of the project report, and the procedures to be followed for the preparation of the project report.

- To guide them for techniques of preparation of feasible & viable projects.
- To guide them for "Techniques of proposal preparation, etc.

Detailed Report:

The Entrepreneurship development program on machine Learning sponsored by DST, Govt. of India was started on 24th Feb 20 to 19th March 2020. The Entrepreneurship Programs are targeted at science students of the various engineering, Polytechnic, and Degree colleges and universities. Therefore, keeping this fact in mind I.T.S Engineering College has organized an Entrepreneurship Development Program. The details of the program are as follows:

Day 1:

The program was inaugurated by Dr. Vikas Singh, Executive Director I.T.S The Education Group & Dr. S.P. Mishra, Advisor, I.T.S The Education Group, Mr. O. P. Singh GM, NSIC Okhla, Govt of India. Further Mr. O.P.Singh shared his inputs on “Expectations from trainees, Final Goal, Program Strategies”. The Session was concluded by Dr. S.P. Mishra on “Who is an Entrepreneur & Charms of being Entrepreneurs”.

Day 2:

On the first session of the second day, Mr. Saurav Kumar provided his input on “Developing Entrepreneurial Competencies (Achievement Motivation Training)”.

In the second session, Dr. Kamal Gupta shared his views on “How to assess the working capital requirement for SSI”.

Day 3:

On day 3 the session was taken by Mr. Amit Kumar who provided “Basics of Machine Learning”.

Day 4:

On the 4th day of the program in the first session, Mr. Saurav Kumar talked about “How to find out pre-feasibility of a Project”. In the second session, Prof. Sana provided her lecture on “Business Opportunity Guidance Interactions with DIC, SISI, Bank, KVIC, etc”.

Day 5:

On Day 5th session Mr. S.K. Tiwari talked and shared details on “How to find out pre-feasibility of a Project" and in further sessions provided input on "Preparing Pre-feasibility Report: Preliminary Project Report (PPR)”.

Day 6:

On day 6th session, Mr. Danish from Mapping Skills Pvt. Ltd. shared details on "Classifications of Machine Learning".

Day 7:

On day 7th session, Mr. Mukeesh, Brand Management Consultant (Google certified) talked about “Incubation and networking Training”.

Day 8:

On day 8, the session was provided by Mr. Amit Kumar who gave his input on “Concepts and Training of Machine Learning”.

Day 9:

On the 9th day of the program in the first session, Mr. Saurav Kumar provided his input on “Linking Business Opportunities with Trainees”.

The second session was taken by Mr. Mukeesh, Brand Management Consultant (Google certified) on “Google Training”.

Day 10:

On the 10th day of the program, Dr. Rita Sen Gupta, Ex-Director, NIESBUD shared her views on "Developing Entrepreneurial Competencies (Achievement Motivation Training)".

Day 11:

On the 11th day of the program in the first session, Prof. Sana provided her input on “Working Capital Management”.

The second session was taken by Ms. Sonal Gupta on “Soft Skill Development Communication, Soft Skill Development Information Seeking”.

Day 12:

On day 12th session, Mr. Satendra Kumar, G.M., TBI, KIET, Ghaziabad provided his input on “Preparing Pre-Feasibility Report Preliminary Project Report (PPR)”.

Day 13:

On day 13th session, Mr. Saurav Kumar provided his input on “Industrial Visit (jagmag Light Pvt. Ltd.)”.

Day 14:

On day 14th session, Mr. Amit Kumar, Trainer, Mapping Skills Pvt. Ltd. Shared his views on “Algorithms of machine learning”.

Day 15:

On day 15th, the first session was taken by Mr. Manvendra Yadav who provided his input on “Evaluating the PPRs prepared by the Trainees”.

The second session was taken by Mr. Mahip Singh on “Production Planning in MSME”.

Day 16:

On day 16th session, Mr. Amit Kumar, Trainer, Mapping Skills Pvt. Ltd. Shared his views on the " Concept of Artificial intelligence in Machine Learning”.

Day 17:

On day 17th session, Dr. Vikas Singh provided his input on “Negotiation, Networking & Leadership”.

Day 18:
